Compatible 1G Standalone Switches Rwandan Supplier

Overview

Switches – IHAHA Technologies – Online Shopping for Cisco Business CBS350-48T-4G Managed Switch | 48 Port GE | 4x1G SFP 290,279 Fr Add to cart Impact Techn.

Key Takeaways

You can source 1G standalone switches in Rwanda from suppliers like ICTECH Distribution and BigBox Rwanda, offering both unmanaged and gigabit-ready options for businesses and resellers. Key Suppliers in Rwanda1.

ICTECH Distribution Rwanda ICTEC

H Distribution is a major IT hardware distributor in Rwanda, supplying networking equipment, servers, laptops, and UPS systems across Kigali, Huye, Gisenyi, and other cities. They provide network infrastructure solutions, including 1G switches suitable for enterprise and small business deployments.

ICTEC

H offers bulk procurement support, logistics coordination, and assistance with customs and local warranty services, making them ideal for large-scale or long-term IT projects in Rwanda (ICTECH Distribution Rwanda),. 2.

Big

Box Rwanda Big

Box Rwanda stocks a variety of networking switches, including 24-Port Fast Ethernet unmanaged desktop switches and 8-Port Gigabit desktop switches. Their products are designed for small to medium businesses, offering plug-and-play installation, auto MDI/MDIX support, and LED indicators for easy monitoring.

Big

Box also provides combo KVM switches for managing multiple servers from a single console, which can be useful for data centers or office server rooms (BigBox Rwanda),. Product HighlightsDES-1024D 24-Port Fast Ethernet Unmanaged Switch: Supports 10/100 Mbps connections, ideal for workgroups needing flexible connectivity. DGS-108 8-Port Gigabit Desktop Switch: Economical, plug-and-play solution for small to medium businesses, enabling easy network expansion.

D-

Link 5-Port 10/100 Mbps Desktop Switch: Compact and reliable for home offices or small networks. KVM-440/E 8-Port Combo KVM Switch: Allows centralized management of multiple servers with one console, featuring one Gigabit uplink port.

Considerations for Procurement

Compatibility: Ensure the switch supports 1G Ethernet if upgrading from older 10/100 Mbps networks. Deployment Scale: For small offices, 5–8 port switches may suffice; for larger setups, 24-port or combo KVM switches are recommended. Support & Warranty: Both ICTECH and BigBox provide local warranty and service support, which is crucial for enterprise deployments.

Delivery & Logistics: ICTECH offers inland delivery and customs assistance, which is beneficial for bulk orders. By contacting these suppliers, you can request tailored quotations for standalone 1G switches, compare models, and arrange delivery across Rwanda, including Kigali, Huye, and Musanze.
