Notable Chinese Manufacturers

Langfang Hangke Power Equipment Co., Ltd: Produces fireproof, ladder-type, and tray-type cable trays, with certifications and active industry performance. Langfang Senneng Energy Technology Co., Ltd: Offers cable trays, accessories, and fireproof solutions, along with thermal insulation and seismic support products. Hebei Jifeng Electrical Equipment Co., Ltd and Langfang Changtu Metal Products Co., Ltd: Recognized for fire-resistant cable management systems in industrial applications.

European Options

Niedax Group (Germany): Provides advanced cable trays and support systems for construction, energy, and transportation sectors, with high compliance standards. Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty industrial and shipbuilding applications. Legrand (France): Offers the Cablofil wire mesh trays, adaptable for fire-resistant installations and easy to install.

Key Considerations

When selecting a fireproof cable tray brand, consider: Compliance with fire safety standards (EN 1363-1, E90 rating, ISO certifications)Material quality (galvanized steel, stainless steel, or fire-resistant composites)Load capacity and installation type (ladder, tray, or mesh)Regional availability and support for maintenance and installation These brands and manufacturers provide reliable fire-resistant solutions suitable for industrial, commercial, and infrastructure projects, ensuring safety and continuity of electrical systems during fire events.
