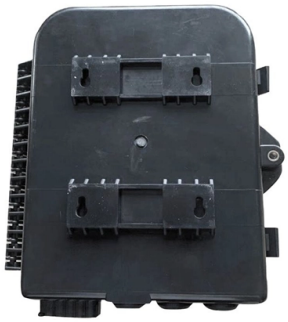
# Indian Trough Cable Tray Price Quote



## Overview

Find here Cable Trays, Metal Cable Trays manufacturers, suppliers & exporters in India. Cable Trays & Baskets Latest Prices in Ahmedabad, Surat, Gujarat.

## Key Takeaways

Trough cable trays in India are available in steel, galvanized, and PVC materials, with prices varying by size, material, and supplier, and quotes can be requested directly from manufacturers.

### Overview of Trough Cable Trays in India

Trough cable trays are mechanical support systems designed to securely hold electrical cables and raceways in industrial and commercial installations. They provide a rigid structural system for routing insulated conductors safely and efficiently, serving as an alternative to conduit systems. These trays are widely used in factories, plants, and large buildings due to their durability and ease of installation.

### Material and Types

Steel Trough Cable Trays: Strong, durable, and suitable for heavy-duty applications. Available in powder-coated, pre-galvanized, or hot-dipped galvanized finishes to resist corrosion.

PV

C Trough Cable Trays: Lightweight, UV-resistant, and anti-corrosive, ideal for indoor and outdoor use. Commonly available in 25x25 size and gray color. Stainless Steel and Aluminum Options: Provide additional corrosion resistance and strength for specialized environments.
