

Albania FOB Fiber Optic Fast Connector 24-core

Overview

Wanted : Optical Fiber Cable. Buyer from AlbaniaPlease quote for the following wholesale product requirement - Product name: Optical Fiber cable Specificat.

Key Takeaways

24-core fiber optic fast connectors and cables are available for FOB shipment to Albania, featuring LC, SC, or ST connectors with single-mode or multi-mode compatibility. Product OverviewFASTConnect® mechanical connectors are field-installable, factory pre-polished connectors that eliminate the need for hand polishing. They use a mechanical splice with a pre-cleaved fiber stub and index-matching gel, providing low-loss termination for both single-mode and multimode fibers.

These connectors are compatible with 250 µm and 900 µm fibers, as well as 900 µm, 2 mm, and 3 mm cordage, and are available in LC, SC, and ST types, making them suitable for enterprise, FTTx, and LAN applications. 24-core fiber optic cables are typically available in armored or non-armored versions. For example, steel wire armored 24-strand optical fiber cables have an outer diameter of 3 mm and are suitable for CIF or FOB shipping to Albania.

These cables are designed for high durability and protection in outdoor or industrial environments. Indoor breakout cables with 24 cores often feature aramid yarn reinforcement, LSZH (Low Smoke Zero Halogen) jackets, and flexible nylon pulling aids for safe installation.

Technical Specifications

Fiber Type: Single-mode (G652D or G657A1) or multimode
Connector Type: LC, SC, ST, LC/APC-LC/APC
Core Count: 24 cores
Cable Jacket: LSZH or armored steel wire
Installation: Field-installable, tool-less termination for FASTConnect®
Operating Temperature: Typically -40°C to 85°C for outdoor cables
Length Options: Customizable, often 1 m, 1.5 m, or container quantities for bulk orders
Sourcing and FOB Shipping: Suppliers worldwide can provide 24-core fiber optic cables and fast connectors for FOB shipment to Albania. Buyers can request container quantities, such as a twenty-foot container, and arrange payment via Letter of Credit (LC).

Verified suppliers and exporters can be identified through platforms like Electron Albania, Volza, and Go4WorldBusiness, which list active buyers and provide detailed product specifications.

Applications

Enterprise networks and data centers
FTTx deployments and LAN backbones
Indoor and outdoor fiber installations
High-density cabling environments requiring 24-core connectivity
By selecting FASTConnect® connectors and 24-core fiber optic cables, Albanian buyers can achieve quick, low-loss terminations with reliable mechanical performance, suitable for both indoor and outdoor network deployments.

Wanted : Optical Fiber Cable. Buyer from Albania

Please quote for the following wholesale product requirement - Product name: Optical Fiber cable
Specifications: 24-core 24-strand optical fiber, 24-strand steel wire armored optical fiber

Fiber optic cable termination box FODB-24

Fiber optic cable termination box FODB-24 also called 24 core fiber distribution box, is a device used to terminate and distribute feeder optic cable to fiber optical

Breakout Indoor Cable OS2, 24-Core, SC/UPC-SC/UPC

Multi-purpose cable with 24 cores in tubes with aramid yarn tightening. Black protection jacket with flexible and extremely tear-resistant pulling aid of nylon material on both ends.

FO BI Cable OS2, 24-Core, LC/APC-LC/APC

Multi-purpose cable with 24 cores in tubes with aramid yarn tightening. Black protection jacket with flexible and extremely tear-resistant pulling aid of nylon material on both ends.

FASTConnect Mechanical Fiber Connectors | AFL Global

FASTConnect® connectors are compatible with 250 µm and 900 µm optical fibers, as well as 900 µm, 2 mm and 3 mm cordage. All primary fiber types are

24 Core Optical Fiber cable

Built to IRS:TC 55-2006 Rev.1 and RDSO/SPN/TC/110/2020 Rev.0 standards, it features 24 single-mode fibers, corrugated steel armor,

Fosc 24 Core Optical Joint Closure/Fiber Mechanical

We supply fiber optic components, such as fiber patch cord, PLC splitter, SFP transceiver, MTP/MPO, CWDM/DWDM, FTTH solution, Data center wiring

24 Core Outdoor Armored Double Jacket Fiber Optic Cable

24 Core GYTY53 fiber optic cable is used for direct buried underground, it suit for long distance and LAN fiber communications, we supply both the single mode GYTY53 cable and multimode GYTY53 cables.

Top Fiber Optic Telecommunications Companies in Albania

Identify and compare relevant B2B manufacturers, suppliers and retailers. Max. Digicom is a telecommunications company in Albania that offers advanced fiber optics technology, which

24 Core Fiber Optical Cable Joint Splice Closure

Product Description 24 96 144 core fiber splice closure optical fiber cable joint closure price fiber optic junction box Description: The optical cable connection box, also known as an optical cable joint box

Fiber Optics Imports in Albania

Albania imports most of its Fiber Optics from Turkey, Ukraine, and India. Globally, the top three importers of Fiber Optics are Ukraine, Vietnam, and India. Ukraine leads the world in Fiber
