Apex distribution box

Overview

Pluggable master distribution box for modular wiring systems, supporting 20 A /32 A at 230 V with six or nine outputs, IP2XD protection and IEC 61535 compliant connectors. We offer an extensive range of beverage dispensing equipment, including ice beverage dispensers, soda towers, frozen drink dispensers, ice makers, taps, beer towers, and bar guns. Used in modular wiring systems for lighting, power distribution and underfloor installations in commercial and industrial. It's a smart, sustainable underfloor power distribution solution that delivers power exactly where it's needed, simplifies installation, reduces carbon impact, and future-proofs the workspace with modular, plug-and-play flexibility. Zero termination, plug-and-play design with significant cost. © 2026 Hubexo North UK Ltd. We are excited to share the user manuals for the Apex 300, Hub D1, Hub A1, and SolarX 4K. Apex 300 - EU/UK spec Google Drive file. Hub D1. An overview of all worldwide Apex Dynamics locations, the Apex Dynamics family of distributors for our gearboxes, racks and pinions.
