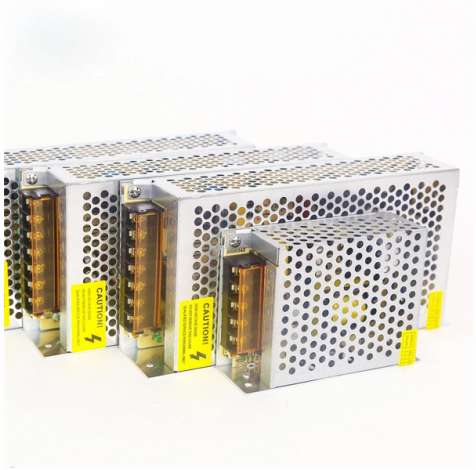
Austrian cable tray mesh manufacturer



Overview

Cable Tray In Austria, Cable Tray Manufacturers Suppliers AustriaLooking to buy a Cable Tray in Austria?

Jeetmull Jaichandlall (P) Ltd. is one of the trust.

Key Takeaways

Austria hosts several manufacturers and suppliers of mesh cable trays, including Jeetmull Jaichandlall (P) Ltd., Brilltech Engineers, and other specialized producers listed on B2B directories.

Key Manufacturers and Suppliers

Jeetmull Jaichandlall (P) Ltd. – Offers high-quality wire mesh cable trays in various sizes, shapes, and finishes. Their on-site manufacturing facility uses modern equipment and advanced technology to produce durable trays suitable for industrial and commercial applications, adhering strictly to industry standards. Brilltech Engineers Pvt.

Ltd. – Supplies perforated and mesh cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed for optimal cable management, airflow, and protection against environmental hazards, with full support for system design and installation. Valdinox (Europe-based, serving Austria) – Specializes in wire mesh cable trays with EASYCONNECT® systems for fast installation and robust performance.

Their products comply with EN and IEC standards, suitable for industrial and commercial projects.

Additional Resources

Europages Austria Directory – Lists 18 cable tray manufacturers and producers in Austria, providing direct contact options for B2B inquiries. WireMeshes.com Austria – Offers a directory of cable tray suppliers, including mesh and wire-based solutions for various sectors. CableTrayManufacturers.in – Provides information on Austrian suppliers and exporters of cable trays, including technical specifications and material options.

Considerations

When selecting a mesh cable tray manufacturer in Austria, consider: Material and durability – Stainless steel, galvanized steel, or fiberglass depending on environmental conditions. Compliance – Ensure products meet European standards (EN, IEC) for safety and performance. Customization – Some manufacturers offer tailored sizes, shapes, and finishes to meet specific project requirements.

Support services – Technical advice, installation guidance, and after-sales support can be crucial for large-scale or complex installations. These manufacturers and directories provide a solid starting point for sourcing mesh cable trays in Austria for industrial, commercial, or infrastructure projects.
