Key Takeaways

Meka Pro is a leading Belgian manufacturer specializing in fire-resistant cable support systems, offering over 1,200 fire-tested products compliant with EN 1363-1 standards.

Key Manufacturers in Belgium

Meka Pro Meka Pro focuses on fire-resistant cable management systems, ensuring that electricity supply continues even during a fire. Their products are tested according to the EN 1363-1 standard, guaranteeing that cable trays withstand high temperatures without collapsing or producing toxic gases. They offer a wide range of over 1,200 fire-tested standard products, including cable trays, ladders, and mounting systems, with installation guidance and compliance with international safety norms.

Trayco Trayco is a 100% Belgian manufacturer of cable trays, mesh trays, and cable ladders. Founded in 2012, they provide customized solutions and consulting for cable support systems. While their focus is on high-quality cable management, they also advise on installation and material selection to meet project-specific requirements.

DKC Europe DK

C Europe offers a comprehensive range of cable tray systems and energy protection solutions for civil and industrial infrastructures. They are recognized as a European leader in cable management, providing both standard and specialized systems suitable for demanding environments. Brilltech Engineers Brilltech Engineers manufactures durable cable trays in Belgium using materials like galvanized steel, stainless steel, and fiberglass.

Their trays are designed for enhanced safety, airflow, and protection against environmental hazards, making them suitable for professional installations requiring fire resistance and regulatory compliance. Considerations for Choosing a Manufacturer
Fire Resistance Certification: Ensure the manufacturer tests products according to recognized standards like EN 1363-1. Material Quality: Look for galvanized steel, stainless steel, or fiberglass for durability and fire safety.

Customization and Support: Companies like Trayco and Brilltech offer tailored solutions and installation guidance. Compliance and Safety: Verify adherence to local and international electrical and fire safety regulations. For projects requiring professional, fireproof cable trays in Belgium, Meka Pro is the most specialized option, while Trayco, DKC Europe, and Brilltech Engineers provide high-quality alternatives with customization and consulting support.
