Bending of cable tray accessories

Overview

Cable Tray Accessories – Bends, Connectors & FittingsExplore cable tray accessories including horizontal bends, vertical bends, tees, crosses, & reducers.

Key Takeaways

For bends and accessories for cable trays, consider the following options: Bends: Common types include flat bends in both 45 and 90 degrees, as well as internal and external riser bends. Accessories: Essential fittings include elbows, tees, crosses, risers, reducers, and supporting brackets. Additional Components: Other useful accessories are cable cleats, suspension rods, and covers for added protection.

These components help in achieving a functional and organized cable tray system.
