Bhutan fiber optic sensor manufacturer direct supply

Overview

Find and discover Fiber Optic manufacturers and suppliers for all products in Bhutan, featuring details on their shipment activities, trade volumes, trading partners, and more.

Key Takeaways

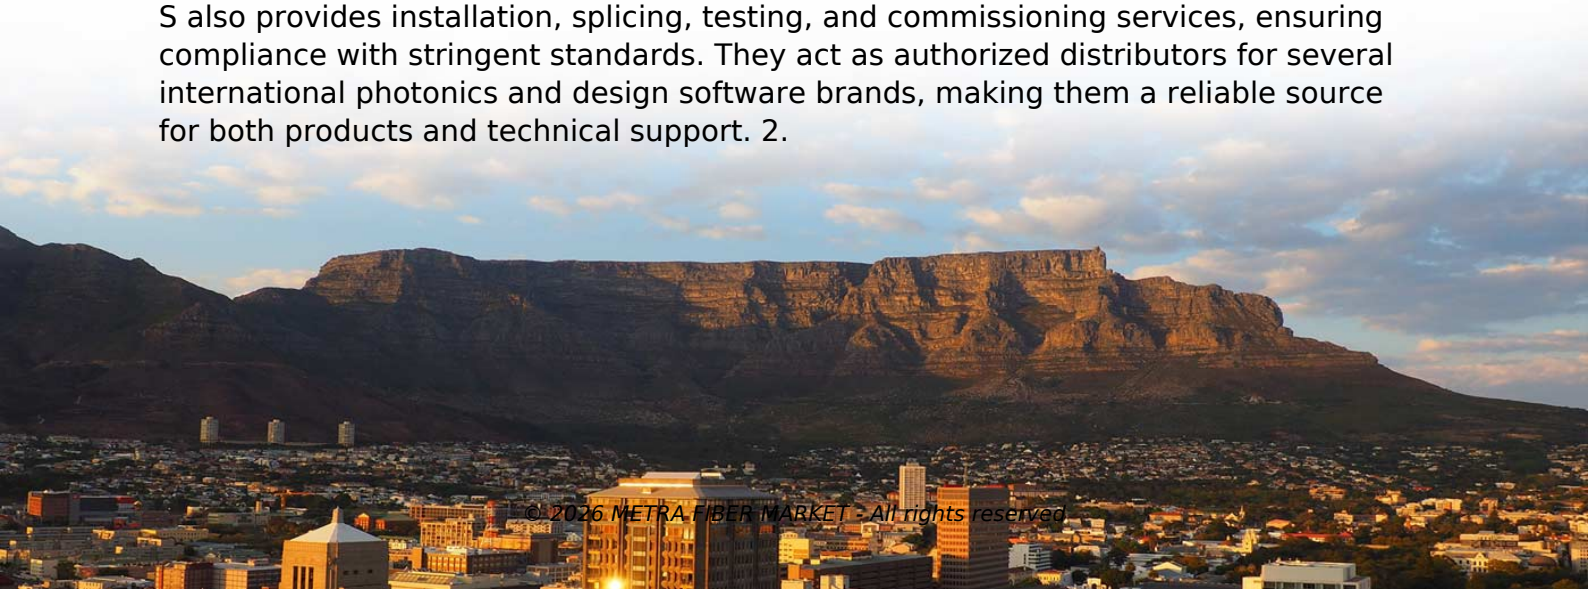

Bhutan has several fiber optic suppliers and service providers capable of direct supply, including NLFS and SKY PFM LIMITED, offering both components and network solutions. Key Manufacturers and Suppliers1.

NLF

S (Nima Lotey Fiber Services) NLFS is a leading fiber solutions provider in Bhutan, offering a wide range of fiber optic products, network services, and custom solutions. They supply active and passive fiber optic components and modules, including connectors, cables, and networking devices.

NLF

S also provides installation, splicing, testing, and commissioning services, ensuring compliance with stringent standards. They act as authorized distributors for several international photonics and design software brands, making them a reliable source for both products and technical support. 2.

SKY PFM LIMITE

D Although based in China, SKY PFM LIMITED supplies fiber optic modules and transceivers to Bhutan and can handle bulk orders and direct supply. Their product range includes SFP optical transceivers, CWDM, GBIC, and single-mode optical transceivers, suitable for high-speed networking and long-distance transmission. They offer customizable solutions and are experienced in providing high-quality, low-failure-rate components for professional applications.

3. Trademo and Volza Listings Trademo provides a directory of fiber optic manufacturers and suppliers in Bhutan, including shipment details, trade volumes, and contact information, which can help identify direct suppliers. Volza's import data shows that Bhutan imports fiber optic products primarily from India, indicating potential suppliers for direct procurement.

Services and Capabilities

Custom Fiber Network Design: NLFS specializes in designing networks tailored to client requirements. Installation and Testing: Both NLFS and other local providers offer splicing, testing, and commissioning services. Direct Supply of Components: Active and passive fiber optic components, including connectors, transceivers, and modules, are available for direct supply.

Consulting and Technical Support: Authorized distributors provide guidance on system design, software, and performance optimization.

Recommendations for Procurement

Contact NLF

S directly via their website to discuss direct supply and installation services. For bulk fiber optic modules, consider SKY PFM LIMITED, which can ship to Bhutan and provide technical specifications. Use Trademo to explore additional local suppliers and verify shipment capabilities.

Check import data via Volza to identify reliable foreign exporters supplying Bhutan, particularly from India. By leveraging these suppliers, businesses in Bhutan can access high-quality fiber optic sensors and components with direct supply options, along with professional installation and support services.
