ELCON CABLE TRAY

S PVT. LTD. – Specializes in wire mesh, ladder, and perforated trays, along with related accessories for diverse applications. Snake Tray – Provides aluminum and steel cable trays, emphasizing durability and versatility for industrial projects.

Leading European Manufacturers

Niedax Group (Germany) – Offers over 50,000 products including cable trays, ladders, and support systems, with a focus on industrial, energy, and transportation sectors. Spina Group (Italy) – Specializes in standard and custom cable tray systems, including ladder and perforated trays, tailored for heavy-duty applications.

OB

O Bettermann Group – Known for corrosion-resistant trays and fastening technologies, suitable for extreme environments.

Key Considerations

When selecting a manufacturer, consider: Product type: Ladder, perforated, mesh, or trough trays. Material: Steel, aluminum, fiberglass, or GRP for corrosion resistance. Application: Industrial, commercial, data centers, or infrastructure projects.

Customization and support: Some manufacturers provide tailored solutions, installation guidance, and CAD/BIM resources. These manufacturers provide reliable solutions for organizing and protecting electrical and communication cables, ensuring safety, durability, and ease of maintenance across various industries.
