B produces perforated trays, cable ladders, channel trays, and strut systems from facilities in Canada and Saudi Arabia, ensuring adaptability and reliability for diverse installations.

German Manufacturers

Germany is renowned for precision engineering in cable management. Key manufacturers include: Icotek – Innovates smart cable management systems and EMC solutions, serving over 60 countries. Tsubaki Kabelschlepp – A global leader in cable carriers and protection systems since 1954, known for high-quality, certified products.

Pohlcon – Offers modular and ladder cable trays for industrial and commercial sectors, focusing on energy-efficient and sustainable designs. Duelco – Provides flexible and reliable cable management systems for high-demand environments like data centers and manufacturing plants.

KKV Kabelverlegung Gmb

H & Co.

K

G – Mid-sized company specializing in cable laying and project delivery with strict safety standards.

Considerations for Selection

When choosing a cable tray manufacturer, consider: Product range: Ladder, perforated, wire mesh, or modular systems. Material quality: Stainless steel, aluminum, or fiberglass options. Certifications and standards: Compliance with international safety and performance standards.

Customization: Ability to provide tailored solutions for specific industrial or commercial needs. Global reach and support: Availability of local distribution, technical support, and rapid delivery. These manufacturers provide reliable, high-quality cable tray systems suitable for industrial, commercial, and infrastructure projects worldwide.
