

Cable tray types and brands

Overview

Ultimate Guide to Cable Tray Selection – Types, Learn how to choose the best cable tray system for your needs. Explore types, materials, installation tips.

Key Takeaways

Leading cable tray brands include MP Husky, Atkore, Eaton, ABB, Legrand, and Thomas & Betts, offering a wide range of materials and tray types for industrial and commercial applications. Key Cable Tray Brands and ManufacturersMP Husky is a founding member of the USA Cable Tray Institute and a leader in cable tray systems, offering aluminum, galvanized steel, stainless steel, fiberglass, PVC-coated, single rail, and wire mesh trays. Their products meet NEMA, UL, CTI, and CSA standards and are widely used across industries for reliability and durability.

Atkore International manufactures steel, aluminum, and fiberglass cable trays, along with cable management systems and accessories. They serve construction, industrial, and utility sectors, providing solutions for both standard and custom applications. Eaton (Cooper Crouse-Hinds division) supplies cable trays, ladders, raceways, and electrical connectors for industrial, commercial, and residential installations, emphasizing safety and compliance with North American standards.

AB

B produces perforated trays, cable ladders, channel trays, and strut systems, with facilities in Canada and Saudi Arabia. Their systems are adaptable, easy to maintain, and suitable for medium to ultra-heavy-duty installations. Legrand offers a comprehensive range of cable management solutions, including trays, raceways, and wiring accessories, serving construction, telecommunications, and energy industries.

Thomas & Betts provides cable trays, ladder systems, wiring ducts, and accessories, focusing on industrial, commercial, and residential electrical installations.

Additional Notable Brands

Other recognized manufacturers include Snake Tray, Chalfant Manufacturing, Creative Composites Group, PUPCO, Southwire, SILTEC, Basor, Cable Ties and More, Selco Manufacturing, ACME Wire, Powerstrut, and Electrix International. These companies offer specialized solutions such as fiberglass trays, waterproof trays, and heavy-duty ladder trays for specific industrial applications.

Choosing the Right Brand

When selecting a cable tray brand, consider: Material type (aluminum, steel, stainless steel, fiberglass) Tray design (ladder, perforated, wire mesh, channel) Load capacity and durability Compliance with standards (NEMA, UL, CSA) Ease of installation and maintenance These factors ensure long-term performance, safety, and suitability for your specific project needs.
