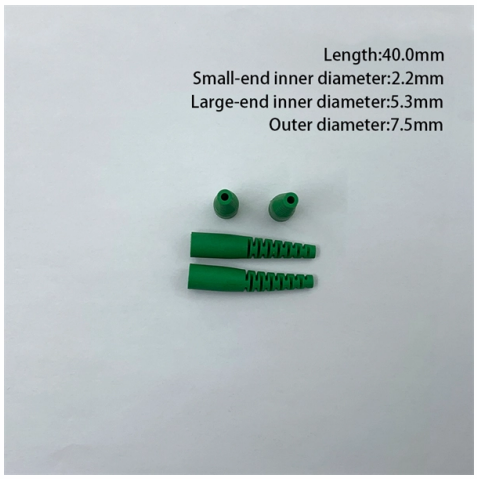
Chinese Metal Mesh Cable Tray Manufacturers



Overview

These top Chinese cable tray manufacturers offer high-quality solutions—including ladder, wire mesh, and perforated types—designed to meet diverse needs with precision and durability.

Key Takeaways

China hosts numerous reputable manufacturers of metal mesh cable trays, including APEXTRAY, Tianhong, Shanghai Hdmann, BXYC, and Vichnet, offering customizable, high-quality solutions for industrial and IT infrastructure applications. Leading ManufacturersAPEXTRAY – Based in Wuxi, Jiangsu, APEXTRAY specializes in wire mesh, ladder, perforated, and solid bottom cable trays. Established in 1993, the company serves clients in over 26 countries and operates three factories in Anhui, Jiangsu, and Shandong.

They provide durable, environmentally compliant cable management solutions with a focus on quality and international standards. Tianhong Cable Tray – Tianhong offers galvanized, stainless steel, and powder-coated wire mesh trays suitable for data centers, telecom rooms, and IT infrastructure. Their trays feature open structures for airflow, easy cable entry/exit, and optional fire-resistant coatings.

Accessories, supports, and mounting kits are available for complete cable management systems. Shanghai Hdmann Industry Co., Ltd. – Specializes in stainless steel trays (SS316) compliant with international standards, suitable for extreme environments such as pharmaceutical and marine applications. Their products are known for durability and high-quality finishes.
