Common Cable Tray Brands and Prices

Overview

Top 10 Cable Trays Manufacturers And Suppliers | B2B This list of top 10 online B2B marketplaces and manufacturers will lead you to find your perfect cable.

Key Takeaways

Cable trays are available from leading manufacturers like ABB, Bahra Electric, Trayco, and Unitech, with catalogs and pricing accessible online or via request. Leading Manufacturers and CatalogsABB Electrification Canada offers galvanized metallic cable tray systems suitable for evolving wiring needs.

Their PD

F catalog provides detailed specifications, dimensions, and installation guidance for various tray types, including ladder, perforated, and solid-bottom trays (ABB Electrification Canada). Bahra Electric supplies metallic and non-metallic cable trays in multiple shapes and sizes. Their catalog emphasizes modular designs for easy maintenance, enhanced safety, and adaptability to commercial, industrial, and institutional environments (Bahra Electric).

Trayco specializes in Belgian-manufactured cable trays, mesh trays, and cable ladders, offering tailored solutions and installation guidance. They provide customized quotes based on project requirements, making them suitable for specialized or large-scale installations (Trayco). Unitech provides cable management systems across the MENA region and Europe, with products manufactured to international standards.

Their catalog includes trays and accessories designed for durability and compliance with construction regulations (Unitech).

B2

B Marketplaces such as Tradewheel and B2B Headlines list top global cable tray manufacturers, including Atkore International. These platforms allow buyers to compare standard and custom roll-formed trays, galvanized, stainless steel, fiberglass, and waterproof options, often with pricing information or the ability to request quotes (B2B Headlines).

Pricing Considerations

Cable tray prices vary based on material, size, load capacity, and customization. Common factors affecting cost include: Material: Galvanized steel, stainless steel, aluminum, or fiberglassTray Type: Ladder, perforated, solid-bottom, or meshDimensions: Width, depth, and length of tray sectionsAccessories: Elbows, tees, reducers, and mounting hardwareQuantity and Customization: Bulk orders or project-specific designs may reduce per-unit cost For accurate pricing, manufacturers typically provide online catalogs with suggested retail prices or offer custom quotes based on project specifications. Many suppliers, including Trayco and B2B marketplaces, allow direct inquiries to obtain tailored pricing.

Recommendations

Download PD

F catalogs from ABB or Unitech to review specifications and standard pricing. Contact suppliers like Trayco or Bahra Electric for project-specific quotes.

Use B2

B marketplaces to compare multiple manufacturers, materials, and pricing options globally. Consider total project cost, including accessories, installation, and shipping, when evaluating suppliers. By leveraging these resources, you can identify the most suitable cable tray systems for your project while obtaining competitive pricing and technical support.
