Distribution box self-operated surface mounting

Overview

A ready-to-install 6 pole surface mount circuit breaker box, fully loaded for fast, compliant power distribution in small residential and light commercial projects. Today, electrical systems are essential for homes and industries. TECHNICAL CHARACTERISTICS Materials : 4. UV-RATED & WEATHER-RESISTANT – Durable plastic construction resists sun exposure, rain, and harsh outdoor conditions for long-lasting. The 44 CE junction boxes range consists of 3 families made of different technopolymers (two of which are Halogen Free) and available in 11 sizes with an ordinary or high-capacity base, high or low lids, blank or transparent lids, smooth walls or with quick-entry cable glands. NOTES: GW44615 also. Flange collar enclosure opening and seamless foamed-in-place gasketing create a knife edge seal for tight, secure protection against contaminates and dust floor environment.
