

Dominica sells fiber optic cables at low prices

Overview

Shop CableWholesale 12 Fiber Indoor Distribution Fiber Optic Cable, Singlemode, 9125 Micron, Yellow, Riser Rated, Spool, 1000 feet online at a best price in Dominica.

Key Takeaways

Fiber optic cables are available in Dominica at competitive prices through online retailers like Desertcart and Ubuy, offering both multimode and single-mode options.

Availability and Retail Options

Dominica residents can purchase high-quality fiber optic cables online. For example, Desertcart offers OM3 multimode duplex optical fiber patch cables suitable for gigabit networks, supporting Ethernet, Fibre Channel, and InfiniBand over distances up to 300 meters at 10 Gbit/s. These cables feature ST/ST connectors, halogen-free and flame-retardant materials, and include a measurement/test report for quality assurance (Desertcart).

Ubuy Dominica provides single-mode OS2 fiber patch cables with LC to SC APC connectors, suitable for FTTH, data centers, and ISP applications. These cables are bend-insensitive, G652. D compliant, and quality-tested, ensuring low optical loss and high performance for speeds up to 100GB (Ubuy).

Pricing and Cost Considerations

While exact prices vary depending on cable type, length, and supplier, these online platforms offer affordable options for both short and long fiber optic cables. Desertcart and Ubuy provide international shipping to Dominica, making it possible to access a wide range of fiber optic products without local stock limitations.

Technical Advantages

Fiber optic cables in Dominica offer several advantages over traditional copper cabling: No electromagnetic interference and no need for grounding High bandwidth and long-distance transmission Enhanced security against interception Compatibility with future high-speed networks These features make fiber optic cables ideal for residential, commercial, and institutional network installations.

Summary

Residents of Dominica can access low-priced, high-quality fiber optic cables through online retailers like Desertcart and Ubuy. Both multimode and single-mode cables are available, with specifications suitable for modern high-speed networks. Online shopping ensures a variety of options, competitive pricing, and delivery directly to Dominica, making it convenient for both small-scale and large-scale network projects.
