East Asia Waterproof Distribution Box Supplier

Overview

We mainly produce a variety of high and low voltage distribution boxes, customized power distribution equipment, power distribution devices.

Key Takeaways

Leading suppliers of waterproof distribution boxes in East Asia include E-Abel, Saipwell, NXT Asia, and Zhejiang XinChi Electric, offering IP-rated enclosures with international certifications. Key Suppliers1.

E-

Abel (Foshan, China) E-Abel is a professional enclosure manufacturer with over 13 years of experience, producing waterproof distribution boxes for residential, IT, industrial, outdoor, and EV charger applications. Their products feature patented mounting brackets and welding-free designs for easy assembly.

E-

Abel offers IP-rated enclosures, fast lead times (7 days for in-stock, 20 days for custom), and exports to North America, Asia, and Europe. 2. Saipwell (China) Saipwell manufactures waterproof boxes from plastic, stainless steel, aluminum, and metal plates, with IP ratings from IP63 to IP68.

Their products are certified by UL, CE, RoHS, TUV, and UKCA, and are exported to Southeast Asia, the Middle East, Eastern Europe, and the U. S. They provide customized solutions for control cabinets, terminal protection shells, and industrial plugs.

3.

NX

T Asia (Singapore) NXT Asia specializes in IP68 waterproof solutions, explosion-proof junction boxes, and fully customized distribution boards. They serve oil & gas, offshore, industrial, and military applications. Their products comply with IECEx and ATEX standards, ensuring safety in hazardous environments.

4.

Zhejiang Xin

Chi Electric (China) Zhejiang XinChi Electric produces IP66 waterproof junction and distribution boxes, along with circuit breakers, contactors, and solar connectors. They are ISO9001: 2008 certified and hold multiple international certifications including IEC, CE, TUV, and RoHS. Their products are designed for reliability and high customer satisfaction.

5.

Other Notable Manufacturers

Xiamen, Fujian: Waterproof junction and distribution boxes with a decade of manufacturing experience. Wenzhou, Zhejiang: Specialized in waterproof distribution boxes and industrial enclosures. Dongguan, Guangdong: Offers smart home and industrial waterproof enclosures.

Considerations for SelectionIP Rating: Choose based on environmental exposure (IP65–IP68 for outdoor or wet conditions). Material: Options include ABS, polycarbonate, aluminum, and stainless steel depending on durability and corrosion resistance. Certifications: UL, CE, RoHS, TUV, IECEx, and ATEX ensure compliance with international safety standards.

Customization: Many suppliers offer tailored sizes, mounting options, and internal configurations. Lead Time & Shipping: Check availability for in-stock versus custom orders and international shipping capabilities. These suppliers provide a range of waterproof distribution boxes suitable for industrial, commercial, and outdoor applications across East Asia and globally.
