Lacing Bar 1U, Black, 50 mm DepthFeatures: Simple lacing bar for securing cables with tiesBenefits: Provides high-precision cable alignment, easy installation, and durable finishIdeal for: Smaller setups or where minimal obstruction is required 4. Dynamix 1U Cable Management BarsOptions: 45 mm, 55 mm, and 70 mm deep bars, including finger-style bars with protective capsFeatures: Supplied with cage nuts for secure mountingBenefits: Flexible depth options for different cable volumes, protective design prevents cable damage Installation ConsiderationsRack Compatibility: Ensure the 1U cable manager matches the 19-inch rack standard.

Cable Separation: Use horizontal managers for data cables and lacing bars for power or mixed cables to reduce interference. Depth Selection: Choose a depth (45–70 mm) based on cable thickness and quantity. Environmental Compliance: For enterprise or government installations, consider products with RoHS or Green Premium certifications.

Ease of Maintenance: Removable covers or finger-style bars allow quick access for adding or rerouting cables. By selecting from these options, you can achieve high-precision, organized, and compliant cable management for 1U racks in New Zealand, ensuring both performance and longevity of your network infrastructure.
