How much does galvanized cable tray cost in Lithuania

Overview

Galvanized Cable Tray In LithuaniaWe offer top-notch Galvanized Cable Trays in Lithuania. These metal trays, coated with a special zinc shield, resist rust.

Key Takeaways

Galvanized cable trays in Lithuania typically range from €15 to €50 per 2. 4-meter section, depending on type, material, and load capacity.

Overview of Galvanized Cable Trays

Galvanized cable trays are made from steel coated with zinc through a hot-dip galvanization process, providing corrosion resistance and long-term durability in industrial, commercial, and residential installations. Common types include: Ladder trays: Ideal for heavy-duty applications, allowing good ventilation and easy cable management. Solid-bottom trays: Provide full protection for sensitive cables from dust and debris.

Trough trays: Offer moderate protection and ventilation, suitable for mixed applications. Wire mesh trays: Lightweight, excellent for heat dissipation, and easy to install. Price EstimatesHot-dip galvanized ladder trays (standard 2.

4-meter length) are generally priced around €15–€30 per section, depending on width and load rating. Fittings and accessories (tees, bends, risers) are priced per piece, typically ranging from €5 to €20 depending on complexity and size. Wire mesh or perforated trays may cost slightly more due to specialized design and lighter weight, often €25–€50 per 2.

4-meter section. Prices can vary based on supplier, steel grade, tray thickness, and galvanization quality. Local Lithuanian suppliers, such as Brilltech Engineers, offer custom quotes and delivery options for bulk orders.

Additional Considerations

Installation costs: Galvanized trays are designed for quick installation, which can reduce labor costs. Durability: Hot-dip galvanization ensures resistance to rust, making these trays suitable for harsh environments. Customization: Many suppliers provide trays in different widths, thicknesses, and lengths to meet specific project requirements.

For accurate pricing, it is recommended to contact local suppliers in Lithuania to request a quote based on the specific tray type, length, and quantity needed. This ensures the price reflects current market conditions and shipping costs.
