FTT

X Solutions: Complete fiber-to-device and fiber-to-fiber interconnect systems for telecom operators. Telecom Cabinets: Outdoor cabinets, data center cabinets, and mini shelters designed for modular installation, intelligent temperature control, and sustainability. Energy and Smart Solutions: Integration of lithium batteries, AI technology, and photovoltaic systems for smart energy and network applications.

Market Presence

Huijue products are exported globally, including Europe, North America, and Southeast Asia. The company is trusted by major Chinese telecom operators such as China Mobile, China Unicom, and China Telecom. Its solutions are widely used in government, transportation, education, and commercial sectors, reflecting a strong reputation for quality and reliability.

Research and Development

Huijue maintains a robust R&D and technical center in Shanghai, supporting innovation in fiber optic technology, cabinet design, and energy storage systems. The company emphasizes precision manufacturing, environmental sustainability, and customer-focused service, ensuring high-quality products and solutions.

Summary

Huijue is a comprehensive one-stop provider for fiber optic and telecom infrastructure, combining manufacturing, R&D, and global sales. Its offerings include fiber optic cables, FTTX solutions, optical components, and intelligent cabinets, making it a trusted partner for telecom operators and network integrators worldwide.
