Kyrgyzstan GTI Distribution Box Model

Overview

The requirements for electrical switchgears used in buildings are changing - and so are our ISO distribution boards and switchgears in the GTi series.

Key Takeaways

Spelsberg GTI distribution boxes, including GTI 1-g, GTI 2 VS-KD-t, and GTI 4-g, are modular electrical enclosures suitable for wall-mounted installations in Kyrgyzstan.

Overview of GT

I Distribution BoxesGTI distribution boxes are designed for safe and organized electrical power distribution. They are widely used in residential, commercial, and industrial settings. These enclosures are modular, insulated, and compatible with standard DIN rails, allowing installation of circuit breakers, main switches, and other electrical components.

They are typically made of durable, grey-colored materials (RAL 7035) and are suitable for on-wall mounting. Key Models and SpecificationsGTI 1-gType: Power distribution electrical enclosureInstallation: Wall-mountedFeatures: Single-row, insulated, suitable for small-scale distribution GTI 2 VS-KD-t (02000201)Type: Module enclosure, 1-row, sealableIncludes: 35 mm standard rails for selective main switch, 2 single-pole HA terminals (25/16 mm^2) for N and PE, masking and labeling strips, 3 enclosure connectors (GGV)Suitable for: Medium-scale electrical distribution GTI 4-g (01040401)Dimensions: Height 179 mm, Width 320 mm, Depth 640 mm, Installation depth 157 mmRated current: 1250 AFeatures: Closed cover, no door, grey color, on-wall installation Installation and UsageMounting: All GTI models are designed for on-wall installation, providing easy access for maintenance and upgrades.

Compatibility: Standard 35 mm DIN rails allow installation of circuit breakers, main switches, and other modular components. Safety: Insulated enclosures ensure protection against electrical hazards and are suitable for both residential and industrial applications.

Availability in Kyrgyzstan

While specific local distributors are not listed in the web results, Spelsberg GTI boxes are internationally distributed and can be sourced through electrical suppliers in Kyrgyzstan. For procurement, contacting local electrical equipment suppliers or authorized Spelsberg distributors is recommended. References: Specifications and model details are based on Spelsberg product information for GTI 1-g, GTI 2 VS-KD-t, and GTI 4-g.
