Key Takeaways

Brilltech Engineers Pvt. Ltd and Jeetmull Jaichandlall (P) Ltd are leading manufacturers of steel cable trays in Madagascar, offering durable, fire-resistant, and customizable solutions.

Key Manufacturers

Brilltech Engineers Pvt. Ltd Brilltech Engineers is a trusted supplier of galvanized, mild steel, and stainless steel cable trays in Madagascar, including ladder, perforated, and raceway types. Their products are designed for industrial, commercial, and residential applications and are manufactured with high-quality raw materials and advanced machinery to ensure durability and fire resistance.

They also provide customized solutions based on size, material, and load requirements, making them suitable for fireproof installations. Brilltech emphasizes quality control and timely delivery, with export capabilities to Africa and the Middle East. Jeetmull Jaichandlall (P) Ltd This company specializes in high-quality steel cable trays with excellent finishing and adherence to industry standards.

They offer a variety of sizes, shapes, and materials, including fire-resistant steel options, suitable for heavy-duty industrial and commercial use. Their in-house manufacturing facility uses modern equipment and technology to ensure robust construction and long-term durability, making them a reliable choice for fireproof cable management systems.

Product Types and Features

Ladder Cable Trays: Ideal for heavy cables, providing excellent ventilation and fire safety. Perforated Cable Trays: Allow heat dissipation and reduce fire risk. Galvanized Steel Trays: Corrosion-resistant and suitable for harsh environments.

Stainless Steel Trays (SS304/SS316): High fire resistance and durability for industrial applications. Customizable Options: Size, length, material, and load capacity can be tailored to project requirements.

Considerations for Fireproof Applications

Choose galvanized or stainless steel trays for enhanced fire resistance. Ensure compliance with international standards for cable management systems. Verify load capacity and ventilation features to prevent overheating.

Opt for manufacturers offering customization and after-sale support for large-scale projects. For sourcing fireproof steel cable trays in Madagascar, contacting Brilltech Engineers Pvt. Ltd or Jeetmull Jaichandlall (P) Ltd directly will provide access to high-quality, durable, and customizable solutions suitable for industrial and commercial installations.
