Mexico Custom Steel Cable Tray Manufacturer

Overview

We, one of the trusted Mild Steel Cable Tray Manufacturers in Mexico, bring trays that are constructed from premium mild steel.

Key Takeaways

Top Mexican steel cable tray manufacturers include Tecnotray, Brilltech Engineers, Jeetmull Jaichandlall, and Tecvina, offering high-quality, certified cable management solutions.

Leading Manufacturers

Tecnotray is a prominent Mexican manufacturer specializing in electric cable supports, including mesh-type trays and squared hinged ducts. Their products are 100% Mexican-made and certified by ANCE, LAPEM (CFE), PEMEX (IMP), and UL, ensuring reliable installation and compliance with international standards. Tecnotray emphasizes corrosion-resistant materials, advanced painting technologies, and adherence to ASTM specifications, making their trays suitable for industrial, commercial, and chemical environments.

Brilltech Engineers Pvt. Ltd. supplies durable mild steel cable trays in Mexico. Their trays are precision-engineered for longevity, corrosion resistance, and efficient cable routing.

They focus on easy installation and maintenance while meeting industry standards, providing reliable support for electrical systems across diverse applications. Jeetmull Jaichandlall (P) Ltd. is recognized among the top 10 cable tray manufacturers in Mexico. They offer a wide range of sizes, shapes, and colors, with modern manufacturing facilities and advanced technology.

Their wire mesh trays are highly durable, impact-resistant, and suitable for various sectors, including industrial and commercial applications. Tecvina manufactures perforated and trunking cable trays in multiple sizes and steel materials. Their products feature smooth return flanges for strength and rigidity, and they offer customization for both small and mass production orders, catering to specific project requirements.

Key Considerations

Material Quality: Mild steel, stainless steel, and perforated or mesh designs for corrosion resistance and durability. Certifications: Look for ANCE, UL, ASTM, LAPEM, and PEMEX certifications for compliance and safety. Customization: Many manufacturers provide tailored solutions for specific project dimensions, compartments, and finishes.

Applications: Suitable for industrial, commercial, chemical, food, and saline environments. These manufacturers provide reliable, high-quality cable management solutions in Mexico, supporting both local and international projects.
