North Asia Ladder-Type Cable Tray Manufacturer

Overview

Ladder Cable Tray In Asia, Ladder Cable Tray Manufacturers We, one of the well-known Ladder Cable Trays Suppliers and Exporters from Asia, offer a comprehe.

Key Takeaways

Leading ladder-type cable tray manufacturers in North Asia include Shandong Tianhong, SUN HONG PAPER TECH XUZHOU, and CTL-Asia, offering durable, customizable, and corrosion-resistant solutions. Key Manufacturers and Suppliers1. Shandong Tianhong Electric Power Technology Co., Ltd.

Founded in 2006, Tianhong specializes in ladder cable trays, perforated trays, trunking, and strut channels. They provide OEM and ODM services, supporting customized solutions for industrial projects, data centers, and commercial buildings. Their trays feature heavy-duty construction, excellent ventilation, powder-coated surfaces for corrosion resistance, and are suitable for long cable runs and indoor installations.

2.

SUN HONG PAPER TECH XUZHO

U CO., LTD. This manufacturer focuses on metal cable management systems, including ladder cable trays made from galvanized steel or stainless steel, with optional hot-dip galvanizing and powder coating for harsh environments. They offer customizable sizes, thicknesses, and accessories, optimizing installation efficiency and cost savings for electrical and data center projects.

3. CTL-Asia CTL-Asia supplies a complete range of cable support systems, including ladder trays in steel, hot-dipped galvanized steel, aluminum, stainless steel, epoxy-painted steel, and FRP fiberglass. Their ladder trays support high-power cables, come in 3m or 6m lengths, and are available in various widths (50–900 mm).

They also provide fittings, clamps, and adjustable brackets for flexible installation. 4. Brilltech Engineers and Other Asian Suppliers Several suppliers in Asia, including Brilltech Engineers, offer durable ladder cable trays with corrosion-resistant coatings, rounded edges for safety, and customizable options.

These trays are suitable for electrical, control, data, and fiber optic cables, and can be expanded or modified for future cable additions. 5. Alibaba Platform Suppliers Alibaba lists 65 ladder rack cable tray suppliers in Asia, including manufacturers, distributors, and factories.

Many offer OEM and ODM services, self-patented designs, and a variety of materials and sizes to meet diverse industrial requirements.

Considerations for Selection

Material: Steel, stainless steel, aluminum, FRP fiberglass, or epoxy-coated options depending on environmental conditions. Load Capacity: Choose trays rated for the weight and type of cables in your project. Customization: Check for OEM/ODM services for specific dimensions, thickness, and accessories.

Corrosion Resistance: Powder coating, hot-dip galvanizing, or epoxy paint for durability in industrial or outdoor environments. Installation Flexibility: Pre-punched holes, modular designs, and compatible fittings for easy assembly and future expansion. These manufacturers provide high-quality, durable, and customizable ladder-type cable trays suitable for industrial, commercial, and infrastructure projects across North Asia.
