Oman Telecom Fiber Optic Cable

Overview

Oman Fiber Optic (OFO) was constituted in 1996 and commenced cable production in early 1999. Located in Muscat, the capital of the Sultanate of Oman, OFO uses state of the art technology to draw fiber and manufacture world class fiber cable products. We were pleased to welcome key representatives from our national stakeholders — including the Oman Investment Authority (OIA), Oman Broadband Company (OBB), and the Telecommunications Regulatory Authority (TRA) — to Oman Fiber Optic. This strategic visit was a valuable opportunity to present OFO's. Oman Fiber Optic's Fiber & Cable Manufacturing Division is dedicated to delivering high quality, reliable fiber optic cable solutions tailored to the evolving connectivity needs of modern communication networks. Designed and manufactured in our advanced facilities, our optical fibers and cables. Ainaan Networks is one of the leading providers of fiber optic solutions in Muscat and across Oman. We execute large FTTx infrastructure networks in Oman and Qatar markets. In addition to supplying Fiber.
