

Optical Module Housing Die Casting Factory

Overview

One-stop manufacturer for high-performance optical communication housings, EV structural parts, heat sinks and custom 3C / automotive components. In-house tooling · vacuum casting · CNC machining · full QC lab · 7-day sampling. With more than 15 years of experience in precision die casting, we focus on providing high-reliability die casting optical transceiver housing solutions for the. Aluminum Optical Module Housing die casting requires high-speed optical transceiver modules (e. Adopting premium Zamak zinc alloy material and high-pressure die casting process, this enclosure provides reliable mechanical protection, excellent electromagnetic interference shielding. Dongguan Youge communication Co.,Ltd, is a modern enterprise which specializes in designing and manufacturing all kinds of connection fittings and precision parts by die casting; stamping or injection. We offer our customers with product development□production molds□precision casting□precision. Product Overview Our custom metal housing for optical communication modules is a high-precision, CNC-machined component designed to meet the rigorous demands of modern fiber optic systems.

Article Content

Die Casting Optical Transceiver Housing

If you are looking for a reliable custom manufacturer of die-cast housings, please contact us. We offer one-stop solutions for die casting optical transceiver

Magwise Precision | Professional Aluminum Magnesium Zinc Die

One-stop manufacturer for high-performance optical communication housings, EV structural parts, heat sinks and custom 3C / automotive components. In-house tooling
· vacuum casting · CNC machining

Custom QSFP Zinc Alloy Optical Transceiver Housing | Precision Die ...

Professional manufacturer of high-precision QSFP zinc alloy transceiver housing. Excellent EMI shielding & heat dissipation metal shell for 40G/100G fiber optical modules, support

Dongguan Youge communication Co.,Ltd

We handle molding, plastic injection, die-casting, Stamping, assembling, and packing at our factory. All these allows us to carefully control

High Precision Optical Communication Module Housing

Custom CNC machined optical communication module housing with tight tolerance, corrosion resistance & stability. Ideal for fiber optic transceiver applications.

Original Factory 400g Qsfp Die Casting Housing

Since established in 2002, Shenzhen Aoli Casting Hardware Products Co., Ltd has been grown from a professional zinc alloy die-casting

Premium 400g Qsfp-Dd Die Casting Housing for Optical

As a leading zinc alloy die-casting manufacturer in China, Yixiang delivers premium SFP/XFP/QSFP+ module housings that offer superior EMI shielding and thermal

MSA QSFP Housing Die Casting Zinc Alloy QSFP DD

The MSA QSFP Housing encompasses the physical and mechanical features that house the optical and electrical components of a QSFP module. Its design is

Die-Cast Housings

We specialize in manufacturing precision zinc die cast housings for optical modules, electronic connectors, and LED lighting. With advanced die casting and surface treatment capabilities, our

High-Quality Assemblable Die Casting 400g Qsfp Optical Module Housing

QSFP Optical Module Housing 10 Production capacity depend on complicity of different products and the quantity 2 Production Type Mass Production 11 Type of production Mass production 3 Material

Customized Zinc Alloy Die-Cast Optical Module Connectors Housing

OEM Customized LC Single-fiber SFP for Bidi Optical Module: Unlock the potential of your network with our tailor-made solutions, expertly crafted for flawless integration into optical link switches and optical

Professional Factory Precision Die-Casting Housing SFP Sc for Optical ...

Product DescriptionProfessional Factory Precision Die-Casting Housing SFP SC for Optical Module StructureProduct Description 1 Product Name YX-100002-146 8 delivery time 10-15days after 30%

Factory Price 800g Osfp Die Cast Hardware Housing Sheel for Optical Module

Factory Price 800g Osfp Die Cast Hardware Housing Sheel for Optical Module, Find Details and Price about Die Casting and Zinc Alloy Parts from Shenzhen Aoli Casting Hardware Products Co., Ltd.

800g Qsfp-Dd Sr8 Die Casting Housing for Optical Module

As Hardware processing and SFP optical module housing industry benchmark, our zinc alloy die-casting technology ensures efficiency and precision for demanding communication equipment.Leveraging

Custom Precision Die Cast Module Bracket / Housing for Optical ...

This custom die cast module bracket is purpose-built for optical communication equipment, serving as a precision structural component for optical transceivers, data modules, and network devices.

Gigabit Zinc Alloy Hot Chamber Die Castings Housing SFP Optical Module ...

As an SFP optical module housing industry benchmark, our zinc alloy die-casting technology ensures efficiency and precision for demanding communication equipment.

Optical Module Die-Cast Housing | Metal Enclosure Parts

This die-cast optical module housing offers superior structural rigidity and thermal performance compared to standard plastic housings. The die-casting process ensures tight dimensional

Dongguan Youge communication Co.,Ltd

800G OSFP Housing Standard OSFP Module Case SFF SC Housings Compatible 1.25G SFF Module housing Factory Supplier MSA QSFP Housing Die Casting Zinc Alloy QSFP DD
