PLC splitter suppliers

Overview

This section provides an overview for plc splitters as well as their applications and principles. Also, please take a look at the list of 54 plc splitter manufacturers and their company rankings.

Key Takeaways

Top PLC splitter manufacturers include Hangzhou DAYTAI Network Technologies, Corning Incorporated, and Spring Optical Communication, offering high-quality optical splitters for FTTH and GPON networks.

Leading Manufacturers

Hangzhou DAYTA

I Network Technologies Co., Ltd – A top-ranked manufacturer specializing in PLC splitters and optical communication components, known for high-quality products and reliable performance in network distribution systems. Corning Incorporated – A global leader in specialty glass and optical fiber, Corning provides QuickPath™ PLC optical splitters with low insertion loss, high performance, and options for custom modules, cassettes, and rack-mount designs. Spring Optical Communication – Based in China, Spring Optical offers a wide range of PLC splitters for FTTH, GPON, and EPON networks, including 1x2, 1x4, 1x8, 1x16, 1x32, and 1x64 configurations.

They provide LGX cassette, ABS, rack mount, and MPO types with low loss and high stability, and also support OEM/ODM services.

Unitek

Fiber Solution – Another notable manufacturer providing PLC splitters and optical fiber solutions for telecom and data networks.

T&

S Communication Co., Ltd. – Offers optical communication components including PLC splitters, pre-terminated cable assemblies, and connectivity accessories, with ISO 9001: 2015 certification and global distribution. Product Features and ApplicationsPLC splitters are passive optical devices that divide a single optical signal into multiple outputs, essential for fiber-to-the-home (FTTH) and GPON networks. Key features include: Low insertion loss and high stability for reliable signal distribution.

Port scalability from 1x2 up to 1x128 outputs, depending on network requirements. Connector compatibility with MPO/MTP, LGX cassette, ABS, and rack-mount types. Uniform signal distribution across multiple end users, improving network efficiency.

Advanced semiconductor and planar waveguide technology for precise light splitting. Choosing a ManufacturerWhen selecting a PLC splitter manufacturer, consider: Product quality and certifications (e.g., ISO 9001: 2015). Range of splitter configurations to match network design.

OEM/ODM capabilities for customized solutions. Global distribution and support for installation and maintenance. These manufacturers provide reliable solutions for telecom operators, data centers, and enterprise networks, ensuring efficient optical signal distribution and long-term network performance.

54 PLC Splitter Manufacturers in 2026

This section provides an overview for plc splitters as well as their applications and principles. Also, please take a look at the list of 54 plc splitter manufacturers and their company rankings.

Wholesale Plc Splitters from Manufacturers, Plc Splitters Products at ...

Source over 242 plc splitters for sale from manufacturers with factory direct prices, high quality & fast shipping.

PLC Splitter, Fibre Splitters, Always Ready for PON

FS PLC Fibre Optic Splitters, Bare/Blockless/ABS/LGX Splitter/Rack Mount Types, support 1xN light distribution, with low IL and PDL for high-reliability

PLC Splitters

Optosun provides a wide range of PLC splitting components based on thin-film filter, planar-waveguide, and fused Biconical tapered technologies.

PLC Splitters

BlueOptics offers a wide range of PLC (Planar Lightwave Circuit) splitters, specifically designed to ensure efficient and reliable signal distribution in your

PLC Fiber Splitters | High-Precision OEM Optical Solutions

With a strong commitment to innovation and partnership, we supply global clients with PLC fiber splitters that combine precision engineering, optical excellence, and OEM flexibility.

Fiber Optic Splitter Manufacturer | PLC & FBT Splitters

At Spring Optical, we provide a complete range of fiber optic splitters including: PLC Splitters (Planar Lightwave Circuit) Optical Fiber Couplers (FBT type) These

Plc Splitter Suppliers

Within our Volza database, we have detailed information on more than 1,532 active Plc Splitter Suppliers worldwide. To assist you in finding the ideal business partners, you can utilize

PLC Splitters | High-Performance Optical Solutions | FiberMania

To meet diverse project needs, FiberMania offers PLC splitters in a variety of configurations, including ABS modules, bare fiber types, LGX modules, mini modules, and rack-mount versions.

2.00mm 2X16 Cassette PLC Splitter ABS Box With SC APC Connector

2.00mm 2X16 Cassette PLC Splitter ABS Box With SC APC Connector Seacent Photonis PLC splitters offer superior optical performance, high stability and high reliability to meet various application

PLC Splitter Selection for FTTH Stability

Fibconet supplies PLC splitters, fiber distribution boxes, patch cords, adapters and ODN components for ISP and FTTH deployment projects. Stable FTTH splitting starts with the right splitter type.

Fiber Optic Products Manufacturer Wholesale Supplier China | OPELINK

OPELINK Founded in 2013, in China, is a leading worldwide manufacturer, supplier and wholesale of passive and active fiber optic products, components and equipment. main products include: Optical

What is Fiber Optic Splitter and Types

© 2026 METRA FIBER MARKET - All rights reserved

This post provides a introduction to fiber optic splitters, their types, functions, and several popular Gcabling optical PLC splitters.

Fiber Optic Products Supplier & Manufacturer

Expert Fiber Optic Supplies: A Wide Range to Meet Your Needs! Bonelinks is a professional fiber optic products supplier offering a wide range of reliable solutions for fiber connectivity, WDM, PLC splitter,

Fiber Optic Splitter

Our Fiber PLC Splitter Provides a Low Cost Power Distribution Solution with Small Form Factor and High Reliability, suitable for EPON, GPON, FTTH/FTTX networks.

1U Rack Mount Splitter Box Buyer''s Guide

Sourcing Recommendations I have identified several high-potential products from verified suppliers: Fiber Optic (PLC) Splitters: 1x64 SC/APC Rack Mount Splitter: High-density FTTH solution with a

Fiber Optic Products & Accessories Manufacturer/Supplier

UnitekFiber is a professional manufacturer of fiber Indoor/outdoor cables, MPO/MTP fiber patch cords,fiber optic patch panel. SFP optical transceiver, fiber optical connectivity and PLC splitter. Our

costa-rica-plc-splitter-anti-tracking-device-manufacturer-direct-supply ...

All suppliers for costa-rica-plc-splitter-anti-tracking-device-manufacturer-direct-supply Distributor Find wholesalers and contact them directly B2B martketplace Find companies now!
