Price List of Cable Trays in Ireland

Overview

Cable Tray Browse our durable cable trays designed for efficient cable management in domestic and industrial settings. Ensure safety and organization with.

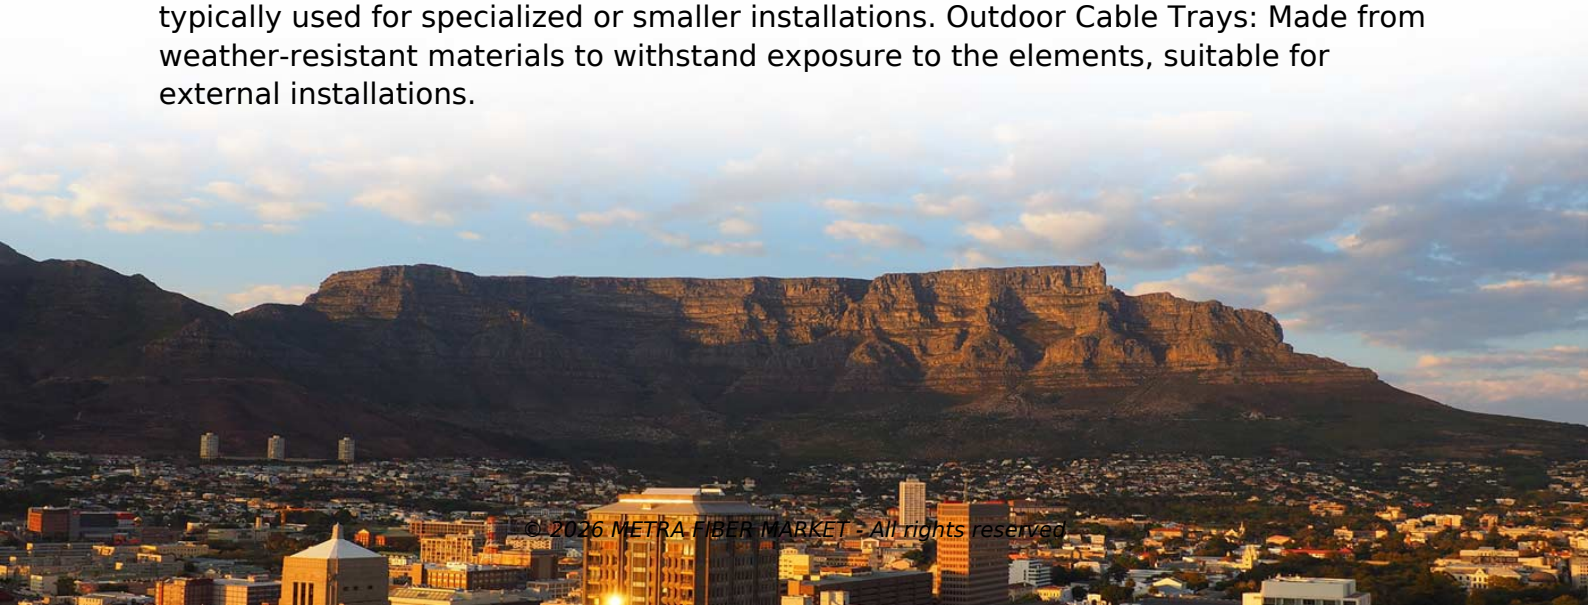

Key Takeaways

Cable trays in Ireland come in various types including wire mesh, trough, basket, and single rail, with prices typically ranging from €10 to €150 depending on size, material, and supplier.

Types of Cable Trays

Wire Mesh Cable Tray: Constructed from wire mesh panels forming the bottom and sides, ideal for flexible routing and ventilation of cables. Commonly used in data centers and IT installations for easy access and airflow. Trough Cable Tray: Rectangular or U-shaped trays with open or partially covered sides, suitable for heavy-duty power cables in industrial and commercial settings.

Basket Cable Tray: Basket-like structure with perforated or wire mesh sides, often used for light to medium cable loads and for organizing multiple cable types. Single Rail Cable Tray: Consists of a single rail or track with attachments for cable support, typically used for specialized or smaller installations. Outdoor Cable Trays: Made from weather-resistant materials to withstand exposure to the elements, suitable for external installations.

Materials

Steel: Strong and durable, often galvanized for corrosion resistance. Aluminum: Lightweight and corrosion-resistant, suitable for both indoor and outdoor use. Plastic/FRP: Non-conductive and corrosion-resistant, ideal for chemical or wet environments.

Accessories

Cable tray systems often include supports, joints, connectors, and clips to ensure secure installation and proper cable management.

Price Range in Ireland

Small wire mesh or basket trays: Approximately €10–€30 per meter. Medium trough or single rail trays: Around €30–€80 per meter. Heavy-duty or outdoor trays: Can range from €80–€150 per meter depending on material and load capacity.
