Price List of Lightweight Cable Trays in Chile

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

Lightweight cable trays in Chile, such as aluminum or wire mesh trays, typically range from $0. 80 to $34 per unit depending on type, material, and purchase volume.

Types of Lightweight Cable Trays

Wire Mesh Cable Trays

Constructed from interwoven galvanized steel wires, offering a lightweight and flexible solution. Ideal for data centers, server rooms, office buildings, and telecom installations. Open mesh design ensures maximum airflow and easy maintenance access.

Aluminum Ladder Cable Trays

Made from industrial-grade aluminum, providing excellent durability and strength while remaining lightweight. Commonly used in industrial and commercial sectors for routing medium to heavy cable loads.

P (Fiber Reinforced Plastic) TraysLightweight, corrosion-resistant, and suitable for harsh environments. Often used in chemical plants, outdoor installations, or areas with high moisture exposure. Price OverviewB2C Pricing: Lightweight cable trays for small-scale or individual purchases range from $15 to $34 per unit, depending on material and size.

B2

B / Bulk Pricing: For bulk orders, prices can drop significantly, starting as low as $0. 80 per unit, with higher-end trays reaching $76 for specialized materials like stainless steel or FRP. Factors Affecting Price: Material type (aluminum, FRP, stainless steel), tray dimensions, perforation or mesh design, and supplier location.

Bulk orders and direct manufacturer purchases usually offer the best cost efficiency.

Suppliers in Chile

Brilltech Engineers Pvt. Ltd: Offers aluminum ladder trays, galvanized trays, and custom solutions. Known for high-quality materials and customization options for industrial and commercial applications.

Jeetmull Jaichandlall (P) Ltd.: Provides wire mesh cable trays and fittings with various sizes and configurations, suitable for construction, mining, and industrial sectors. Alibaba & Accio: International suppliers offering bulk lightweight cable trays with detailed price lists and shipping options to Chile.

Recommendations

Select Material Based on Environment: Aluminum and FRP are preferred for lightweight, easy-to-install solutions, while stainless steel is better for corrosive or outdoor conditions. Plan for Future Expansion: Choose trays with 20–30% extra capacity to accommodate additional cables without full replacement. Consult Suppliers Directly: For precise Chile-specific pricing, request quotes from local distributors like Brilltech or Jeetmull Jaichandlall, as prices vary with size, customization, and order volume.

By considering material, type, and supplier, you can select lightweight cable trays in Chile that balance cost, durability, and installation efficiency.
