Price of Spectrometer in Sri Lanka

Overview

Buy spectrometer Online at Best Price in Srilanka Srilanka - Shop for Best Online at Daraz.lk Wide Variety of spectrometer. Great Prices, Even Better Servi.

Key Takeaways

The average price of spectrometers in Sri Lanka is around $3,800 per unit, with various models available for purchase online.

Price Overview

Average Import Price: In 2023, the average import price for spectrometers and spectrophotometers in Sri Lanka was approximately $3,800 per unit, reflecting a 34% increase from the previous year. Online Availability: You can find a variety of spectrometers available for purchase on platforms like Daraz.lk, which offers a wide selection of models at competitive prices. However, specific prices may vary based on the model and supplier.

Specific Models: For example, the 752N UV-VIS Spectrophotometer, which covers a wavelength range from 200nm to 1000nm, is available for purchase online, although the exact price is not specified in the source. Supplier Information: Laboid International is noted as a reputable supplier of spectrophotometers in Sri Lanka, providing a range of products that meet industry standards.

Conclusion

If you are looking to purchase a spectrometer in Sri Lanka, you can expect to pay around $3,800 on average, with various options available through online retailers. For specific models and prices, checking local suppliers or online marketplaces like Daraz may provide more detailed information.
