Netceed U

K offers a range of cable tray bends from brands like Armorduct and Unistrut, suitable for commercial and industrial projects. Shop4 Electrical provides pre-galvanised 90° medium duty bends with next-day delivery for orders over £100, emphasizing durability and ease of installation.

CM

W Ltd specializes in medium duty bends and risers, offering high-quality materials and free delivery on orders over £100.

Trade

Sparky stocks bends from top brands such as Legrand, suitable for professional electrical installations.

Considerations

When purchasing cable tray bends, consider: Duty rating: Medium duty is common for standard installations, while heavy duty may be required for industrial or high-load applications. Material: Pre-galvanised steel is durable and corrosion-resistant.

Delivery and VA

T: Many suppliers offer free delivery over certain order values and list prices inclusive of VAT. By comparing suppliers and specifications, you can select bends that fit both your budget and project requirements.
