Price of cable conveyor in cable tray

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

Cable trays typically range from $0. 80 to $76 per unit depending on type, material, and purchase volume, while cable conveyor prices vary widely based on design and capacity. Cable Tray PricingB2C and Retail Prices: For small-scale or consumer purchases, cable trays are priced between $15 and $34 per unit, with some wholesale options as low as $0.

92. These are generally suitable for light-duty or home installations and may prioritize aesthetics and ease of installation.

B2

B and Industrial Prices: Bulk or professional-grade cable trays, such as hot-dip galvanized ladder trays, stainless steel, or fireproof FRP trays, range from $0. 80 to over $76 per unit depending on size, material, and supplier. Standard lengths are often 2.

4 meters, and fittings are priced per piece. Industrial buyers focus on durability, compliance with standards (DIN EN 61537), and load capacity. Material Considerations: Hot-dip galvanized steel: Common for industrial use, corrosion-resistant.

Stainless steel: Ideal for harsh environments or outdoor installations. Aluminum: Lightweight and corrosion-resistant.

FR

P (Fiber Reinforced Plastic): Fireproof and non-conductive, suitable for specialized applications. Installation and Features: Open cable trays provide better ventilation and easier access for maintenance, while cable ladders are preferred for heavy power cables. Closed or semi-closed trunking is used for sensitive or aesthetic installations.

Cable Conveyor Pricing

Cable conveyors, which are used to transport cables along a production line or facility, have more variable pricing due to differences in design, length, load capacity, and automation features. Typical industrial cable conveyors can range from $500 for small manual systems to several thousand dollars for large automated or heavy-duty systems. Prices depend heavily on: Conveyor length and widthMotorized vs manual operationMaterial (steel, aluminum, or plastic)Load capacity and speedCustomization for specific industrial layouts For accurate pricing, it is recommended to request quotes from suppliers based on your specific requirements, as cable conveyors are often custom-engineered.

Summary

Cable trays: $0. 80–$76 per unit (depending on material, type, and volume)Cable conveyors: $500–$several thousand, highly dependent on specificationsFactors affecting price: Material, size, load capacity, installation type, and bulk purchase discounts For industrial projects, sourcing from B2B suppliers like Alibaba or specialized electrical suppliers ensures compliance with standards and durability, while retail options are suitable for smaller-scale or DIY installations.
