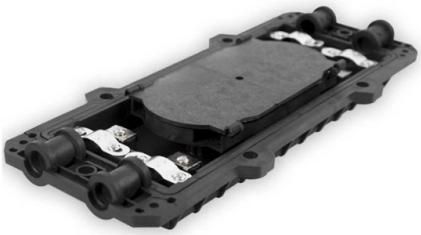
Price of cable trays for North Korean computer rooms



Overview

Price List of Cable Trays Find reliable price list of cable tray from top suppliers. Our cable trays are durable, customizable, and perfect for industrial.

Key Takeaways

The average export price for cable trays from North Korea is approximately $206 per unit.

Price Overview

Based on recent export data, the average price for North Korean cable trays is $206 to $206. 24 per unit. This price applies to a variety of cable tray types, including ladder, perforated, wire mesh, and FRP trays, which are commonly used in industrial, commercial, and data center applications.

Prices may vary depending on material, size, and customization options.

Market and Suppliers

North Korea has over 2,800 exporters and nearly 2,700 importers of cable trays, indicating a moderately active export market. Verified suppliers, such as Jin Tech CT Co., Ltd., offer a wide range of cable trays that meet quality standards and can be sourced for bulk orders.

Types and Applications

Ladder Cable Trays: Ideal for heavy-duty industrial wiring and open-air circulation. Perforated Cable Trays: Suitable for ventilation and heat dissipation in data centers. Wire Mesh Trays: Flexible and lightweight, used in commercial and IT installations.

FR

P Trays: Corrosion-resistant, often used in chemical or outdoor environments.

Procurement Considerations

When sourcing North Korean cable trays, consider: Minimum order quantities (MOQs) and tiered pricing for bulk purchases. Material and size customization to match project requirements. Shipping and import regulations, as North Korean exports may be subject to international trade restrictions.

For detailed pricing, specifications, and supplier contacts, it is recommended to consult B2B platforms or directly contact verified North Korean manufacturers to obtain updated quotes and confirm availability.
