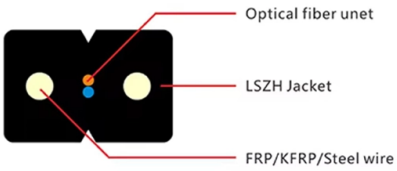
Price range of cable trays and trunking



Overview

Cable Tray Price List 2025: Current Market Rates Find the latest cable tray price list for 2025. Compare B2B and B2C pricing, materials, and supplier optio.

Key Takeaways

Cable trays and trunking prices vary widely, ranging from under $1 for small wholesale units to over $75 for industrial-grade systems, depending on material, type, and purchase volume. Price OverviewB2C Market (Retail/Consumer): Cable trays and trunking for home or small-scale projects typically cost $15 to $34 per unit, with smaller items or simple PVC trays available for under $1 in bulk purchases.

B2

B Market (Industrial/Commercial): Bulk purchases from suppliers like Alibaba or specialized distributors can range from $0. 80 to over $76 per unit, depending on material, size, and load capacity.

Factors Affecting Price

Material: Stainless Steel (304/316): High durability, corrosion resistance, suitable for industrial or outdoor use; higher cost. Galvanized Steel: Strong and corrosion-resistant, moderately priced. Aluminum: Lightweight, corrosion-resistant, mid-range pricing.

PVC/Plastic: Fire-resistant, lightweight, lower cost, ideal for indoor or furniture applications. Type of Tray or Trunking: Ladder Cable Tray: Open design, supports heavy power cables, generally higher cost due to material and load capacity.

Wire Mesh/

Basket Tray: Flexible, easy to install, moderate pricing. Solid or Perforated Tray: Offers ventilation and cable protection; price varies with size and material. Cable Trunking: Closed or semi-closed systems, often used for aesthetic or safety reasons, pricing depends on material and dimensions.

Installation and Features: Pre-drilled or no-drill systems can reduce labor costs but may increase unit price. Fireproof or halogen-free versions are more expensive but comply with safety standards.

Supplier Options

Retailers: Amazon, RS Online, and local electrical suppliers offer ready-to-use trays and trunking for small projects. Wholesale/B2B: Alibaba and industrial distributors provide bulk options with customization, suitable for large construction or industrial projects.

Summary

For budgeting purposes: Small-scale or home projects: $15–$34 per tray/trunking unit. Industrial/commercial bulk orders: $0. 80–$76 per unit depending on material, size, and type.

Premium materials (stainless steel, fireproof) and specialized designs increase cost but improve durability and compliance with safety standards. Choosing the right product depends on load requirements, environment, safety standards, and installation ease, which directly influence the price.
