

Recommended Cable Tray Support Manufacturers

Overview

Guide to cable support systems In addition, a cable support system can be used to separate and arrange cables in groups. The systems are installed on ceiling.

Key Takeaways

Top cable tray support manufacturers include Atkore International, Legrand, Eaton, Thomas & Betts, and European leaders like Niedax Group and Icotek, recognized for quality, compliance, and innovation.

Leading Global Manufacturers

Atkore International (Cope Cable Tray) is a global leader offering a wide range of cable tray systems suitable for industrial, data center, and power generation projects, known for durability and compliance with UL, NEMA, and CSA standards. Legrand provides high-quality cable management solutions, including the Cablofil brand, specializing in wire mesh trays that are easy to install and adaptable for various applications.

Eaton B-

Line delivers extensive cable tray systems and support solutions for complex installations, widely used in industrial and commercial projects. Thomas & Betts (ABB Group) is recognized for durable, easy-to-install trays serving utility, commercial, and industrial sectors.

Notable Regional Leaders

Europe: Niedax Group (Germany): Offers a broad range of cable trays and support systems for construction, energy, and transportation sectors. Icotek (Germany): Innovates in smart cable management and EMC solutions, serving over 60 countries. Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty industrial applications.

Asia: PT Trias Indra Saputra: Provides reliable indoor and outdoor cable ladder systems with a focus on quality and customization. Sunil Engineering Corporation: Manufactures perforated and ladder trays with accessories, emphasizing tailored solutions. South America and Africa: Manufacturers focus on climate-resistant, cost-effective solutions suitable for diverse environmental conditions.

Key Considerations

When selecting a manufacturer, consider: Compliance with standards: UL, NEMA, CSA, EN 61537, ISO 9001, and IEC for global compatibility. Product range: Ladder, perforated, wire mesh, FRP, galvanized, and stainless steel trays. Customization and support: Ability to provide tailored solutions, installation accessories, and extended warranties.

Regional expertise: Manufacturers familiar with local environmental conditions and industrial requirements.

Conclusion

For high-quality, reliable cable tray support systems, Atkore International, Legrand, Eaton, Thomas & Betts, Niedax Group, and Icotek are among the best globally. Your choice should align with project requirements, environmental conditions, and compliance standards to ensure durability and efficiency.
