Singapore workshop cable tray manufacturer

Overview

Explore a wide range of cable trays from Ferrograte, including perforated, ladder, FRP, and wiremesh trays—ideal for efficient cable management systems.

Key Takeaways

Top cable tray manufacturers in Singapore include Foresight Metal Engineering, United U-Li Projects, Voltecx/Takaso Industries, Ferrotech, and Wanco Electric, offering a wide range of metal, FRP, and wiremesh cable trays for industrial and commercial projects.

Leading Manufacturers and Suppliers

Foresight Metal Engineering Pte Ltd has been a specialist in cable support systems since 1992, providing high-quality metal cable trays, trunkings, and ladders for commercial and industrial projects. They offer both standard and customized solutions, serving industries such as pharmaceutical, medical, commercial, and marine, with a focus on reliability and compliance with industry standards (foresightmetal.com.sg).

United U-

Li Projects Pte Ltd, established in 2009, supplies a comprehensive range of cable trays, trunkings, ladders, conduits, fittings, and floor trunking systems suitable for diverse industrial projects in Singapore. They emphasize high-quality products and full assembly systems for project-specific needs (u-li.sg). Voltecx / Takaso Industries Singapore provides innovative cable management systems, including cable trunkings, trays, ladders, conduits, C-channels, and floor distribution solutions.

They focus on construction performance and offer tailored solutions for various building and industrial applications (voltecx.com). Ferrotech offers a variety of cable trays under the Ferrograte brand, including perforated, ladder, FRP, and wiremesh trays, designed for efficient cable management and durability in industrial and commercial installations (ferrotech.sg). Wanco Electric Pte Ltd manufactures perforated steel cable trays with multiple construction types (standard, returned flange) and materials, including pre-galvanised steel, stainless steel (AISI 304, 316, 316L), aluminium, FRP/GRP, and ZAM-coated steel.

They provide light to super heavy-duty options and custom covers for specific project requirements (wancoelectric.com.sg). Considerations for Choosing a ManufacturerMaterial and Load Capacity: Steel, aluminium, FRP, and wiremesh options are available depending on environmental conditions and load requirements. Customization: Many manufacturers offer tailored solutions for unique project specifications.

Industry Compliance: Ensure products meet relevant standards for safety, corrosion resistance, and fire rating. Technical Support: Companies like Foresight and Wanco provide installation guidance and project support. These manufacturers collectively cover a wide spectrum of cable tray solutions suitable for commercial, industrial, and specialized applications in Singapore.
