Hutaib Electricals

Manufactures G

I basket trays, perforated trays, ladder trays, and raceways in Nepal. Offers a range of sizes, thicknesses, and finishes including hot-dip galvanized, pre-galvanized, powder-coated, and stainless steel options. They also provide accessories for structured cabling and heavy-duty installations.

Brilltech Engineers Pvt. Ltd. Trusted for standard and customized galvanized cable trays in Nepal.

Offers ISO-certified products with robust manufacturing facilities and quality checks. Provides ladder, perforated, and raceway trays, along with electrical panels and accessories.

Other Options

Spangle Steel Products and Vaishno Storage Solution also supply cable trays in Nepal, including stainless steel and heavy-duty options suitable for industrial and commercial projects. Considerations When Choosing a SupplierMaterial and Finish: Hot-dip galvanized or pre-galvanized steel ensures corrosion resistance in Nepal's humid and outdoor environments. Tray Type: Ladder trays for heavy loads, perforated trays for ventilation, and raceway trays for enclosed cable protection.

Load Capacity: Ensure the tray can support the total weight of cables and future expansions. Delivery and Support: Check if the supplier provides shipping, installation guidance, and after-sales support in Nepal. By contacting these suppliers directly through their websites or inquiry forms, you can request quotes, confirm specifications, and arrange delivery to your project site in Nepal.
