Top 10 Optical Cable Filler Manufacturers

Overview

The major global manufacturers of Optical Cable Filler (OPGW) include BP, Shanghai Honghui Optics Communication, SYNCO, Haiso Technology, Wuxi Guoqiang Industrial, Henkel, JC Korea, etc.

Key Takeaways

Leading optical cable filler manufacturers include BP, Shanghai Honghui Optics Communication, SYNCO, Haiso Technology, Wuxi Guoqiang Industrial, Henkel, JC Korea, and others dominating the global OPGW market. Key ManufacturersBP – A major global supplier of optical cable fillers, known for high-quality OPGW products and extensive international distribution networks. Shanghai Honghui Optics Communication – A leading Chinese manufacturer specializing in fiber optic cable fillers with strong technological capabilities and production capacity.

SYNC

O – Recognized for innovative filler solutions and a significant presence in Asia and Europe. Haiso Technology – Offers advanced optical cable filler products with applications in aerial, direct-buried, and submarine cables. Wuxi Guoqiang Industrial – Provides a wide range of OPGW and fiber optic cable fillers, serving both domestic and international markets.

Henkel – Known for specialty compounds and gels used in fiber optic cable filling, including hydrogen-absorbing applications.

J

C Korea – Supplies high-performance optical cable fillers with a focus on reliability and long-term performance. Hansen & Rosenthal (H&R) – Offers mineral and synthetic thixotropic gels for fiber optic cables, including flame-retardant and superabsorbent compounds.

OC

C (Optical Cable Corporation) – Provides high-performance connectivity products and solutions, including cable fillers for global markets. Fibertronics, Inc. – A U. S.-based manufacturer delivering customized fiber optic cable assemblies and filler solutions with rapid delivery options.

Market Insights

Global Production: China plays a central role in OPGW production, contributing a significant share of global output. Applications: These manufacturers supply fillers for aerial, direct-buried, submarine, and field cables, supporting both telecommunications and energy sectors. Technological Focus: Many top manufacturers emphasize hydrogen-absorbing gels, flame-retardant compounds, and high-performance thixotropic gels to enhance cable longevity and reliability.

These companies represent the most influential players in the optical cable filler market, providing a combination of technological innovation, global reach, and high-quality products suitable for diverse fiber optic applications.

Global Optical Cable Filler (OPGW) Market Research Report 2025

The major global manufacturers of Optical Cable Filler (OPGW) include BP, Shanghai Honghui Optics Communication, SYNCO, Haiso Technology, Wuxi Guoqiang Industrial, Henkel, JC Korea, etc.

Global Optical Cable Filler (OPGW) Supply, Demand and Key

This report studies the global Optical Cable Filler (OPGW) production, demand, key manufacturers, and key regions. This report is a detailed and comprehensive analysis of the world market for Optical

Optical Cable Filler (OPGW) Market Current and Future Trends,

Key manufacturers engaged in the Optical Cable Filler (OPGW) industry include BP, Shanghai Honghui Optics Communication, SYNCO, Haiso Technology, Wuxi Guoqiang Industrial,

Global Optical Cable Filler (OPGW) Market 2025 by Manufacturers ...

© 2026 METRA FIBER MARKET - All rights reserved

This report is a detailed and comprehensive analysis for global Optical Cable Filler (OPGW) market. Both quantitative and qualitative analyses are presented by manufacturers, by region & country, by

Top 10 Optical Cable Manufacturers 2026

The following list highlights the top 10 optical cable manufacturers driving this transformation, based on market share, technological capability, global reach, and recent performance metrics.

Cable Fillers

We offer unique application solutions for manufacturers, operators and installers of cables through an international network of manufacturing sites, supported by regional sales offices.

Top 15 Fiber Optic Cable Manufacturers Of 2026 | ZTO Cable

It is no longer just about legacy brands; it is about which fiber optic cable manufacturers can provide the best balance of technical innovation, manufacturing scale, and supply chain resilience.

Optical Cable Filler (OPGW) Market size, share and insights 2025 to

The major global manufacturers of Optical Cable Filler (OPGW) include BP, Shanghai Honghui Optics Communication, SYNCO, Haiso Technology, Wuxi Guoqiang Industrial, Henkel, JC Korea, etc.

Top Active Optical Cable & Extender Companies | Active Optical

These companies have employed a variety of growth approaches, such as product launches and development, collaborations, expansions, and acquisitions, to compete in the active optical cable &
