UK Local Cable Trays

Overview

Cable Tray | Light, Medium & Heavy Duty, Pre-GalvBuy perforated cable tray, light to heavy duty, in Pre-Galv and HDG finishes. In stock, 95% of orders disp.

Key Takeaways

You can buy cable trays in the UK from specialized electrical suppliers and online retailers such as Direct Channel, Shop4 Electrical, YESSS Electrical, RS Components, Enrgtech, Electrical2Go, AMP Wire, and Amazon UK.

Key Suppliers and Options

Direct Channel – Based in Tipton, England, they supply light, medium, and heavy-duty cable trays in pre-galvanised and hot-dipped galvanised finishes. They also offer a full range of accessories including couplers, bends, lids, and risers, with 95% of orders dispatched within 24 hours. Shop4 Electrical – Located in Dartford, England, they provide steel cable trays and components for commercial, industrial, and residential installations.

Their range includes bends, brackets, couplers, crossovers, risers, and tees, suitable for both ventilated and solid routing.

YESS

S Electrical – Normanton-based supplier offering light to medium-duty cable trays from brands like Marco, Unitrunk, and Pemsa. They provide free UK delivery on orders over £50 and a variety of sizes and styles for office and industrial use.

S Components – Offers a wide selection of cable trays including ladder, wire mesh, trough, basket, and single rail types. Materials include pre-galvanised steel, hot-dipped galvanised steel, and stainless steel (304/316), suitable for indoor, outdoor, and industrial environments.

Enrgtech LT

D – Provides metallic and non-metallic cable trays, including ladder, basket, and perforated types. They cater to commercial, industrial, and residential projects with options for wall-mounted, ceiling-suspended, or underfloor installations.

Electrical2

Go – Offers durable cable trays for commercial, industrial, and large residential projects. Their range includes perforated and solid bottom trays with compatible fittings and accessories for quick installation and long-term reliability.

AM

P Wire – UK manufacturer of wire mesh cable trays, available in various lengths and finishes. They provide bespoke solutions and fast delivery, ideal for offices, schools, retail, and data centres.

Amazon U

K – Offers a variety of under-desk cable management trays and wire baskets suitable for home or office use. Options include metal mesh, clamp-mounted, and adjustable trays with fast delivery.

Tips for Choosing Cable Trays

Material: Pre-galvanised steel, hot-dipped galvanised steel, stainless steel, or aluminium depending on indoor/outdoor use and corrosion resistance. Type: Ladder, basket, wire mesh, trough, or solid bottom based on cable load and ventilation needs. Size: Ensure width and depth accommodate your cables and allow for future expansion.

Accessories: Check for compatible couplers, bends, risers, and lids for seamless installation. Delivery: Many suppliers offer next-day delivery or free shipping over a certain order value. These suppliers provide both online ordering and physical store options, making it convenient to source cable trays for any UK project.
