Uganda Steel Cable Tray Price Quote

Overview

Cable Tray Metal Cable Support System 150mmx50mm Metal Cable Support System – Cable Tray, Cable Ladder, Cable Trunking, Wire Mesh Basket TrayThe unitstru.

Key Takeaways

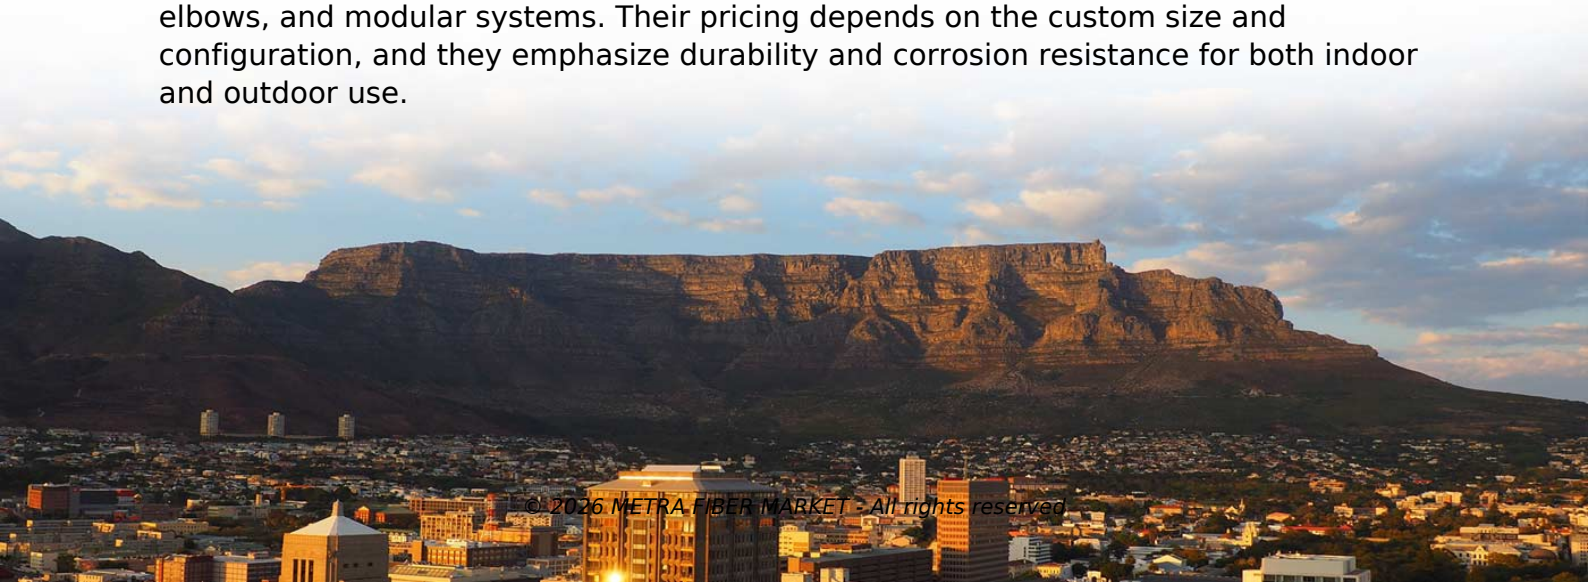

Steel cable trays in Uganda typically range from UGX 150,000 to UGX 500,000 per unit, depending on size, type, and supplier.

Overview of Pricing

Steel cable trays are available in various sizes and configurations, including ladder trays, perforated trays, and trunking systems. Prices vary based on dimensions, material quality (galvanized or stainless steel), and supplier. For example, smaller trays like 100mm x 25mm may be on the lower end of the price range, while larger or custom-fabricated trays can cost significantly more (UGX 300,000–500,000) per unit.

Suppliers and Options

Tronic Uganda Limited offers standard grey cable trays (100mm x 25mm) suitable for overhead or under-floor installations, though specific prices are not listed online. Build Matt provides custom steel cable trays and accessories, including brackets, elbows, and modular systems. Their pricing depends on the custom size and configuration, and they emphasize durability and corrosion resistance for both indoor and outdoor use.

SASBU

Z eShop and Amin.ug allow buyers to request quotes directly from suppliers, which is useful for bulk orders or specialized sizes. Cable Tray Suppliers Uganda offers a range of products from cable ladders to trunkings, and contacting them directly is recommended for current pricing and availability.

Factors Affecting Cost

Material: Galvanized steel is cheaper than stainless steel, which offers higher corrosion resistance. Size and Load Capacity: Larger trays or those designed for heavy-duty applications cost more. Customization: Custom-fabricated trays, bends, and modular systems increase the price.

Quantity: Bulk purchases may reduce the per-unit cost.

Recommendation

For accurate pricing, it is best to contact suppliers directly with your specifications, including tray size, material, and quantity. This ensures you receive a tailored quote and can compare options for both cost and quality. Suppliers like Build Matt and Tronic Uganda provide consultation and custom fabrication services to meet specific project requirements.
