What companies manufacture optical fiber cables in Guyana

Overview

We are a reputable manufacturer and supplier dedicated solely to providing fiber optic solutions and industrial Ethernet products.

Key Takeaways

Key optical fiber and cable providers in Guyana include Brilltech Engineers Pvt. Ltd., GIC, E-Networks (ENet), and Digicel.

Local Cable Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent cable manufacturer and supplier serving Guyana. They offer a wide range of cables, including electrical and fiber-optic solutions, with custom-based products designed to meet specific client requirements.

Their in-house manufacturing unit ensures high-quality production, and they are recognized for sustainable performance and timely delivery across the region.

Optical Fiber Network Providers

Guyana Infrastructure Consortium (GIC) is actively deploying a terrestrial optical fiber network and 5G infrastructure across the country. Their network emphasizes high-speed connectivity, reliability, and scalability, supporting businesses, government services, and social inclusion initiatives.

Networks (ENet) has implemented submarine fiber-optic cables connecting Bartica to the coast, significantly improving internet speed and reliability for homes, businesses, and institutions.

E

Net plays a critical role in bridging the digital divide between Guyana's coastland and hinterland. Digicel Guyana is expanding its fiber-optic network nationwide, including the Georgetown area, and has invested in submarine cables to increase international internet capacity. Their expansion plans include LTE coverage and long-term network capacity to support future digital growth.

Summary

For businesses or individuals seeking optical fiber and cable solutions in Guyana, Brilltech Engineers Pvt. Ltd. provides manufacturing and supply services, while GIC, ENet, and Digicel are key players in deploying and expanding optical fiber networks. These companies collectively support Guyana's growing digital infrastructure and connectivity needs.
