Where to find cable tray supports in Southern Europe

Overview

Cable Trays Cable trays, In order to transport and protect electrical cables in a safe way, in accordance with the weight and width of the cable. Eurost.

Key Takeaways

You can find cable trays in Southern Europe through specialized European manufacturers and distributors such as DKC Europe, Spina Group, Eurostrut, Ekabel24, and Brilltech Engineers. Leading Manufacturers and SuppliersDKC Europe: Offers a wide range of cable tray systems and energy distribution solutions for civil and industrial infrastructures across Europe, including Southern Europe, with options for ladders, perforated trays, and accessories (DKC Europe). Spina Group (Italy): Specializes in standard and custom cable tray systems, including ladder and perforated trays, tailored for heavy-duty applications and compliant with European standards (TOP 5 Cable Tray Manufacturers in Europe).

Eurostrut: Provides industrial and marine cable trays, including distribution trays, cable routes, and NATO-type models, with direct quote requests available via their webshop (Eurostrut). Ekabel24: Offers high-quality cable trays and ladders in materials such as hot-dip galvanized steel, stainless steel, and halogen-free plastic, compliant with DIN EN 61537 and international standards, suitable for indoor and outdoor installations (Ekabel24). Brilltech Engineers: Supplies customized cable trays, including PVC, mild steel, perforated, and stainless steel options, with a focus on residential, commercial, and industrial sectors across Europe (Cable Tray Manufacturers In Europe).

Tips for Finding Cable Trays

Identify the Type Needed: Determine whether you need ladder trays, perforated trays, wire mesh trays, or specialized types for marine or industrial use. Check Material and Standards: Ensure the trays meet European standards (e.g., DIN EN 61537) and are suitable for the environment (corrosion resistance, load capacity). Contact Local Distributors: Many manufacturers have regional distributors in Southern European countries like Italy, Spain, Portugal, and Greece.

Request Quotes Online: Most suppliers, such as Eurostrut and DKC Europe, allow you to request quotes or place orders directly through their websites. Consider Custom Solutions: For large-scale or specialized projects, manufacturers like Spina Group and Brilltech Engineers offer tailored solutions to meet specific load, size, or environmental requirements. By leveraging these manufacturers and distributors, you can efficiently source cable trays in Southern Europe that meet your project's technical and regulatory requirements.
