

Which company makes the best outdoor cable trays in Ghana

Overview

OBO Bettermann limited OBO is into the manufacturing and distribution of all kinds of electrical and mechanical support system.- cable trays, cable ladders.

Key Takeaways

Brilltech Engineers Pvt. Ltd and Legrand's Cablofil are among the top providers of high-quality outdoor cable trays in Ghana. Brilltech Engineers Pvt.

Ltd

Brilltech Engineers Pvt. Ltd is recognized as a leading manufacturer and supplier of ladder cable trays in Ghana. They offer custom-based products designed for sustainable performance and durability, making them suitable for outdoor applications.

Their in-house manufacturing unit uses modern machinery and precision tools to produce cable trays that meet high-quality standards. Brilltech also provides a wide range of support systems, ensuring safe and efficient installation for industrial and commercial projects. Legrand Cablofil Wiremesh Cable Trays Legrand's Cablofil wiremesh cable trays are globally renowned and available in Ghana.

These trays are made from steel wire with corrosion-resistant finishes such as EZ, EZ+, GC, and stainless steel (316L and 304L), making them ideal for outdoor environments. The 90% open structure allows for efficient heat dissipation, minimal dust retention, and easy visual inspection, which enhances safety and reduces maintenance costs. Cablofil trays also feature quick-fixing systems for easy installation and are certified to international standards including IEC 61 537, ABS, and DNV.

Key Considerations for Outdoor Cable Trays

Material and corrosion resistance: Stainless steel or treated steel is preferred for outdoor use. **Ease of installation:** Quick-fix systems and modular designs reduce labor time. **Maintenance and safety:** Open structures allow for visual inspection and prevent water or dust accumulation.

Load capacity and span: Ladder and wiremesh trays provide strong support for heavy cables over long spans.

Conclusion

For high-quality outdoor cable trays in Ghana, Brilltech Engineers Pvt. Ltd is ideal for custom ladder trays with robust performance, while Legrand Cablofil offers versatile wiremesh solutions with excellent corrosion resistance and international certifications. Both companies provide reliable options for industrial, commercial, and infrastructure projects.
