

Which company should I choose for cable trays in Sri Lanka

Overview

CEYLEKTRA powder-coated cable trays and ladders are a trusted local brand, offering high-quality, durable cable management solutions.

Key Takeaways

Top cable tray manufacturers in Sri Lanka include Bianco, C&D Electrical, Magline, CEYLEKTRA, and GERSAN, offering durable and customizable solutions for industrial and commercial applications.

Leading Manufacturers

Bianco is a trusted manufacturer providing a wide range of cable trays in materials such as mild steel, stainless steel, and aluminum. Their products are suitable for both indoor and outdoor use, offering corrosion resistance and customizable solutions for industrial and commercial projects.

C&

D Electrical offers high-quality cable trays and accessories designed for flexibility and durability. They cater to industries like power generation, telecommunications, and construction, with options for customized sizes and materials. Magline specializes in slotted cable trays, ideal for projects requiring flexible routing and easy attachment of accessories.

Their products are widely used in industrial plants, data centers, and telecom infrastructure.

CEYLEKTR

A is a local Sri Lankan brand providing hot-dipped galvanized and powder-coated cable trays. Their products meet international standards, ensuring durability, corrosion resistance, and aesthetic appeal for indoor and commercial installations.

GERSA

N manufactures hot-dip galvanized and powder-coated cable trays and ladders, designed for robust cable management in industrial and commercial settings. Their products comply with EN 61537 and EN ISO 1461 standards, offering excellent mechanical strength and long-term performance.

Additional Suppliers

Kiash Electricals, although based in Kolkata, supplies high-quality cable trays suitable for Sri Lankan projects, including metal trays for heavy-duty applications with strong support and flexible layouts. Eastlink.lk provides a variety of cable trays and accessories, including electro-galvanized, hot-dip galvanized, steel, aluzinc, and aluminum alloy options, suitable for safe and organized cable distribution in diverse environments.

Summary

For projects in Sri Lanka, Bianco, C&D Electrical, Magline, CEYLEKTRA, and GERSAN are highly recommended for their quality, durability, and compliance with international standards. Depending on project requirements, additional suppliers like Kiash Electricals and Eastlink.lk can provide specialized or imported solutions. These manufacturers offer versatile designs, corrosion resistance, and customizable options to ensure efficient and safe cable management.
