Which manufacturers sell whole reels of optical fiber cable

Overview

Fiber optics reel Find your fiber optics reel easily amongst the 7 products from the leading brands (Conductix, Yangtze Optical Electronic, CABLE EQUIPEMEN.

Key Takeaways

Several manufacturers and suppliers provide fiber optic cable reels, including NARCo, Schill Reels, Primus Cable, OCC, Fiber Savvy, Micropol, and Reel Options. Key Manufacturers and SuppliersNARCo offers custom steel, plastic, and wooden fiber optic cable reels with diameters from 3 to 96 inches, suitable for secure storage, transportation, and international shipping. They provide custom stenciling, ready-to-assemble kits, and reels engineered for telecommunications, data centers, and cable manufacturing applications.

Schill Reels North America manufactures high-precision reels in steel, plastic, and synthetic rubber. Their product lines include GT Series, HT Series, IT Series, and AL Series, designed for industrial, audio/visual, military, and surveying applications. Primus Cable supplies fiber optic cable reels made by OCC, emphasizing durability, mobility, and proper bend radius maintenance.

They offer military-grade reels with flip-out handles, stackable designs, and fiber cleaning kit options. Optical Cable Corporation (OCC) produces the Modular Advanced Reel System (MARS®), a lightweight, modular reel system for harsh-environment fiber optic installations.

MAR

S reels support rapid deployment, integrated connector storage, and optional accessories like backpacks and tripods. Fiber Savvy provides impact-modified polymer reels suitable for commercial and military use, featuring stackable designs, built-in dividers, and connector cradle systems for safe cable handling. Micropol manufactures rugged cable reels in Sweden for harsh environments, including event fiber reels and portable setups.

Their reels are customizable in diameter, color, and cable length, and are designed for outdoor, broadcast, and excavation applications. Reel Options offers a variety of reels including ICON™, DEADBOLT®, STAPLED, and 3FLANGE reels, suitable for fiber optic cables, with options for automated winding, adjustable payout tension, and custom traverse lengths.

Additional Suppliers

Other notable suppliers include Conductix-Wampfler, Yangtze Optical Electronic Company, DigiKey, Radwell International, Tripp Lite, and LAPP, which provide reels for industrial, broadcast, and tactical fiber optic applications. These manufacturers provide a wide range of reel types, including plastic, steel, wooden, and modular systems, with options for motorized, manual, or spring-loaded operation, catering to diverse deployment and storage needs.
