Wholesale Price of Cable Trays in the UAE

Overview

Unigroup Cable Trays, Channels and Trunking Solutions are proudly manufactured in the UAE to the highest international standards.

Key Takeaways

Wholesale prices for tray cable trays in the UAE vary widely depending on material, type, size, and supplier, typically ranging from low-cost galvanized steel to premium stainless steel or aluminum options.

Key Factors Affecting Price

Material: Cable trays are commonly made from galvanized steel, stainless steel, or aluminum. Stainless steel and aluminum trays are more expensive due to higher corrosion resistance and durability, especially for outdoor or coastal installations. Type of Tray: Ladder trays: Most common for heavy-duty applications; moderate to high cost.

Perforated trays: Lightweight, allow airflow; slightly lower cost than solid trays. Solid bottom trays: Provide maximum protection for sensitive cables; generally higher priced. Size and Load Capacity: Wider trays or those designed for heavy loads cost more.

Standard widths range from 50 mm to 450 mm, with heavy-duty trays priced higher due to thicker steel and higher load ratings. Finish and Coating: Pre-galvanized, hot-dip galvanized, powder-coated, or epoxy-painted finishes affect pricing. Hot-dip galvanized and powder-coated trays are more expensive but offer better corrosion protection.

Accessories and Customization: Bends, junctions, reducers, and covers add to the total cost. Custom sizes or project-specific fabrication may increase prices. Leading Suppliers in the UAEBonn Metals Construction Industries LLC: Offers industrial steel, stainless steel, and PVC cable trays with various sizes and fittings.

Al Ruwais Metal and Steel Factory LL

C: Supplies ladder, solid bottom, and ventilated trough trays in steel and stainless steel.

Abdulla Najim Electrical Appliances Co S

P LL

C: Provides galvanized and industrial steel trays for commercial projects.

META

R (Dubai): Manufacturer of mild steel, pre-galvanized, and hot-dip galvanized trays with custom sizes and finishes.

NMS

S: Offers light to extra heavy-duty trays in pre-galvanized, hot-dip galvanized, stainless steel, and aluminum, compliant with BSEN 61537: 2002.

How to Obtain Wholesale Prices

Since prices fluctuate based on material, type, quantity, and project requirements, the most reliable method is to contact suppliers directly for quotes. Many suppliers in the UAE provide bulk order discounts and can offer technical documentation and delivery options for large projects.

Recommendation

For a typical galvanized steel ladder tray, wholesale prices in the UAE can start from approximately AED 50–100 per meter for standard sizes, while stainless steel or heavy-duty trays may range from AED 150–400 per meter, depending on specifications and supplier. Always request a detailed quotation including accessories, shipping, and installation support for accurate budgeting.
