

ZC Certified Distribution Box

Overview

Alibaba.com: ZHC zc NEMA IP65 Waterproof Outdoor Distribution With IP65 certification, you can confidently install this enclosure outdoors, knowing it meet.

Key Takeaways

The ZC Certified Distribution Box is a durable, IP65-rated electrical enclosure designed for safe power distribution, compliant with CE, ISO9001, and other international standards.

Overview

The Z

C Certified Distribution Box is engineered for low-voltage electrical distribution, providing a secure housing for circuit breakers, MCBs, and other modular electrical components. It is widely used in residential, commercial, and industrial applications to distribute electrical energy safely, facilitate circuit operation, and protect components from environmental hazards.

Key Features

Material and Durability: Constructed from cold roll steel, stainless steel, zinc steel, or high-quality PC/ABS plastics, the box offers excellent corrosion resistance, fire resistance, and UV protection. **Waterproof and Dustproof:** With an IP65 rating, the enclosure is dust-tight and protected against water jets, making it suitable for outdoor installations. **Certifications:** Complies with CE, ISO9001, ROHS, IK, and HF standards, ensuring quality, safety, and reliability.

Customizable Dimensions: Standard sizes like 250 x 200 x 150 mm are available, with options for custom dimensions to meet specific installation requirements.

Installation: Equipped with mounting plates and designed for easy wall mounting, the box simplifies installation while maintaining stability for internal components.

Internal Components: Includes earth and neutral copper bars for easy wiring and routing, with ample space for modular electrical devices.

Applications ZC distribution boxes are ideal for: Outdoor and indoor electrical distribution Residential, commercial, and industrial power systems OEM and ODM projects requiring certified enclosures Situations demanding high safety and environmental protection **Manufacturers and Supply** Leading manufacturers like ZCEBOX (Tangshan Zhengcheng Electric Co., Ltd.) and suppliers on platforms like Alibaba provide ZC distribution boxes with bulk purchasing options, professional OEM/ODM services, and high production capacity to meet global demand.

Summary

The Z

C Certified Distribution Box combines robust materials, IP65 protection, international certifications, and customizable design, making it a reliable solution for safe and efficient electrical power distribution in diverse environments.
