Zhongzheng Distribution Box Manufacturer Inquiry

Overview

Founded in 2010, Tangshan ZhengCheng Electric Co., Ltd is a professional manufacturer. We mainly produce low voltage electrical distribution boxes and junction boxes, include IP40/IP65/IP67 etc.

Key Takeaways

Zhongzheng (ZCEBOX/Tangshan Zhengcheng Electric) is a professional manufacturer of distribution boxes, junction boxes, and low-voltage electrical products with ISO9001, CE, and ROHS certifications.

Company Overview

Zhongzheng, operating under Tangshan Zhengcheng Electric Co., Ltd. and branded as ZCEBOX, specializes in low-voltage electrical equipment, including distribution boxes, junction boxes, MCBs, and consumer units. The company provides OEM and ODM services, allowing customized production to meet specific client requirements. Their manufacturing facilities are equipped for large-volume production and adhere to international quality standards, including ISO9001, with products approved by CE, ROHS, IK, and HF tests.

Product Range

Zhongzheng offers a wide variety of products suitable for industrial, commercial, and residential applications: Distribution Boxes: Wall-mounted, floor-standing, waterproof, and dustproof models with IP65 or IP66 ratings. Junction Boxes: For low-voltage electrical connections, available in multiple sizes and materials.

MC

Bs and Consumer Units: Modular circuit protection devices for residential and industrial use. Electrical Accessories: Including cam locks, handle locks, hinges, and other cabinet hardware, often made from zinc alloy, stainless steel, or carbon steel.

Certifications and Quality

Zhongzheng emphasizes high-quality manufacturing and compliance with international standards. Their products are certified for safety, durability, and environmental compliance, making them suitable for global markets in Europe, America, the Middle East, and Southeast Asia.

Services and Global Presence

The company provides customized solutions, including design, production, and technical support. With a professional technical team, Zhongzheng can adapt products to local requirements while maintaining competitive pricing. Their products are exported to over 100 countries, demonstrating a strong international presence.

Summary

Zhongzheng (ZCEBOX/Tangshan Zhengcheng Electric) is a reliable and experienced manufacturer of distribution boxes and related low-voltage electrical products. They offer customizable solutions, certified quality, and a broad product range, making them suitable for industrial, commercial, and residential applications worldwide.
